So Much We Have Anthem:

The Worst Songs in the World David Pate, 2024-08-06 The best known songs in the world are violent sexist and religious so why do we celebrate national anthems when we should be rewriting them The story begins in a London theatre in 1745 where the modern idea of anthems started out as triumphant expressions of national superiority They glorified violence claimed the support of God for their country and mostly ignored women David Pate says it s time to dump lyrics about cutting throats watering fields with blood building walls with the bodies of enemies and celebrating the sound of machine guns From the author s own youth as a schoolboy in Scotland when he was caned for refusing to sing God Save the Queen to the ubiquity of anthems in sports and as weapons for extreme patriotism **The Worst Songs in the World** looks at the origins of many of the world s anthems including the movie theme song that became China s national anthem and the English tune used for The Star Spangled Banner This wide ranging deeply researched narrative combines politics personalities humour and vivid storytelling to argue for what we should all want better national songs
