Brown, 1972 *A Christian's First Steps, Or "I've Been Saved, Now What?"* David Scot Curtiss, 2009-05 Hi there How are you doing I ll bet you are looking at the back of this book to try and figure out what could be inside of a book called A Christian s First Steps or I ve been saved Now What One Word ANSWERS New and or less experienced Christians want to know What should I listen to It s in here What should I read It s in here Teach me to pray Yep I need more faith Read the book I don t have to witness to anyone do I See previous answers There are even some answers that you will have to come up with the questions Do you want to walk the walk that GOD has for you A Christian s First Steps or I ve been saved Now What is a great first step to take to get your journey started Informative hopefully humorous and prayfully GOD s answers for you Thanks for looking See you on the inside You ll be glad you did Hope you are up to the challenge The LORD loves Ya and so do I David Scot Curtiss How to be a Christian Without Being Religious Fritz Ridenour, 2002-06-06 Since the days of the Early Church Christians have struggled to find a way to be good to please God by their own efforts They end up carrying a burden God never intended them to bear And what s more their brand of Christianity ends up looking like any other religion of the world bound by joyless rules and rituals Fritz Ridenour s study of the book of Romans provides an antidote to the pharisaical spirit and shows that Christianity is not a religion but a relationship It is not man reaching up but God reaching down Every Christian can enjoy his or her birthright when they realize who they are in Christ The result is a life full of hope joy power and potential Cowboy Christians Marie W. Dallam, 2018-01-15 Cowboy Christians examines the long history of cowboy Christianity in the American West with a focus on the present day cowboy church movement Based on five years of historical and sociological fieldwork in cowboy Christian communities this book draws on interviews with leaders of cowboy churches traveling rodeo ministries and chaplains who serve horse racing and bull riding communities along with the author s first hand experiences as a participant observer Marie W Dallam traces cowboy Christianity from the postbellum period into the twenty first century looking at religious life among cowboys on the range as well as its representation in popular imagery and the media She examines the structure theology and perpetuation of the modern cowboy church and speculates on future challenges the institution may face such as the relegation of women to subordinate participant roles at a time of increasing gender equality in the larger society She also explores the cowboy Christian proclivity for blending the secular and the sacred in leisure environments like arenas racetracks and rodeos Dallam locates the modern cowboy church as a descendant of the muscular Christianity movement the Jesus movement and new paradigm church methodology Cowboy Christians establishes the religious significance of the cowboy church movement particularly relative to twenty first century evangelical Protestantism and contributes to a deeper understanding of the unique Christianity of the American West **The Gospel standard, or Feeble Christian's support** , 1847 **The Christian's Guide to Riches** Timothy Harris, 2012-05 Do you dream of living debt free buying your own home

and retiring with riches Are you wondering how to achieve those dreams for your family and how much time and money they will cost The Christian s Guide to Riches provides the indispensable tools necessary for your successful achievement of the American dream Start moving your family from poverty to prosperity with this step by step guide You ll find strategies for lowering your APR and paying off credit card debt for buying your dream home through a traditional mortgage or an IRA home savings account for investing in the future through Roth IRAs or Treasury bonds and ultimately for getting rich The rewards for getting your family out of debt go far beyond earthly rewards When we are not being good stewards of the gifts God has given us we are living in sin By working diligently to pay off our debt and prepare for the future we re not only removing stress from our lives but also the sinful behavior that caused it Our wealth on this earth pales in comparison to the glorious riches to be found in knowing Christ Jesus and being in right relationship with Him Timothy and his wife Virginia have achieved the American dream and now they want to share the secrets of their success with you Start climbing out of your mountain of debt and begin your journey to financial success with The Christian s Guide to Riches

Religious Trauma Brooke N. Petersen,2022-08-31 Through the rich stories of eight participants the author explores the psychological spiritual and ritual dimensions of religious trauma among queer people Drawing on current scholarship in the field of trauma studies the author makes a case for religious trauma as an important frame to understand the experiences of queer people in non accepting faith communities Though previous scholarship has limited the recovery from religious trauma to those who exit religious communities in this research the author analyzes participant stories to understand how queer people might find healing in accepting religious communities Using self psychology to understand the depth of trauma experienced in non accepting communities the author explores the experience of God and sexual identity within non accepting communities Through these narratives the author demonstrates the potential for post traumatic growth and life beyond conservative faith communities Petersen argues for a number of key recommendations for congregations and pastoral caregivers that seek to welcome those who have experienced religious trauma

Most Evil Is Done by Good People Who Do Not Know That They Are Not Good Ferd L. Wagner,2010-05 This book takes the view that Christian truth is the basis for all answers to social issues and that there are not two opposing but equal answers within Christian truth that are equally valid and equally acceptable to God Any so called truth or right that circumvents or undercuts the required sacrifices disciplines and self denial demanded by God in any given social or moral issue ceases to be truth ceases to be right the moment it becomes a force unto itself outside of or independent of the Scripturally required obedience Human history has shown over the millennia that when the letter and spirit of God s laws are not obeyed the truth is abused nations become confused and people are used Many of our political and social issues are rooted in our misplaced belief that tolerance inclusion equal respect for unequal truth and live and let live is the way to greater peace and prosperity They are all wrong Each individual government and nation is judged by their response to Christ The Christian nation or one which ascribes to being one is tasked to set the Christian standard as every nation s point of

reference It is the Christian s duty to show that the valid rule of God s law the letter of God s law and the spirit of God s law are superior to any other alternative standard The biggest obstacle to Christianity today is the undisciplined misinformed and unfaithful lifestyles of professing Christians The Church has become so indoctrinated in its aversion to any form of discrimination that it has placed a higher priority on keeping the peace by compromising than by keeping the truth by discriminating By accepting a false peace and rejecting a hard truth that resists compromise it begets neither peace nor truth
