Attract the right relationships and the right attention. Become the go-to guru for whatever you do. The highest paid people in any company, industry, or profession are not necessarily the most qualified, gifted, or best. They're the most popular. They are liked, trusted, recommended, chosen, hired, and introduced. Build Your Reputation gives you the inside track to the top with practical wisdom and strategic advice for building your own brand.

So You Want to Start a Nursery Tony Avent, 2003-07-11

When Avent announced that he was quitting his job to build a specialty nursery, his former horticulture professor begged his student to reconsider, telling him he couldn't possibly make a profit without doing something illegal. More than ten years and 20 nursery catalogs later, Avent owns a thriving national business with nearly 30 employees. He wrote *So You Want to Start a Nursery* to debunk myths about the ornamental plants nursery business and what it takes to succeed, whether you're a backyard hobbyist or a wholesale grower. And he still has a clean arrest record. Assuming that the reader has some basic knowledge about how plants are grown, Avent focuses on the business and planning concerns of the nursery owner. While recounting humorous stories of his baptism by fire as a beginning nurseryman, Avent also provides a primer on the nursery industry as a whole, with discussions of the merits and disadvantages of retail, wholesale, mail order, and liner operations, to name just a few. Readers of this book will obtain the tools they need to make a business plan of their own. This book is a must read for horticulture students, industry insiders, and advanced gardeners who dream of turning their passion for plants into a job they love.
