*Beyond Prime Time* Amanda Lotz, 2010-04-02 Daytime soap operas Evening news Late night talk shows Television has long been defined by its daily schedule and the viewing habits that develop around it Technologies like DVRs iPods and online video have freed audiences from rigid time constraints we no longer have to wait for a program to be on to watch it but scheduling still plays a major role in the production of television Prime time series programming between 8 00 and 11 00 p m has dominated most critical discussion about television since its

beginnings but *Beyond Prime Time* brings together leading television scholars to explore how shifts in television's industrial practices and new media convergence have affected the other 80% of the viewing day. The contributors explore a broad range of non prime time forms including talk shows, soap operas, news syndication and children's programs, non series forms such as sports and made for television movies as well as entities such as local affiliate stations and public television. Importantly all of these forms rely on norms of production financing and viewer habits that distinguish them from the practices common among prime time series and often from each other. Each of the chapters examines how the production practices and textual strategies of a particular programming form have shifted in response to sweeping industry changes, together telling the story of a medium in transition at the beginning of the twenty first century. Contributors: Sarah Banet Weiser, Victoria E. Johnson, Jeffrey P. Jones, Derek Kompare, Elana Levine, Amanda D. Lotz, Jonathan Nichols, Pethick Laurie, Ouellette Erin, Copple Smith.

*Word Warrior* Sonja D. Williams, 2015-08-30. In *Word Warrior*, award winning radio producer Sonja D. Williams draws on archives and hard to access family records as well as interviews with family and colleagues like Studs Terkel and Toni Morrison to illuminate Durham's astounding career. Durham paved the way for black journalists as a dramatist and a star investigative reporter and editor for the pioneering black newspapers the *Chicago Defender* and *Muhammed Speaks*. Talented and versatile, he also created the acclaimed radio series *Destination Freedom* and *Here Comes Tomorrow* and wrote for popular radio fare like *The Lone Ranger*. Incredibly, his energies extended still further to community and labor organizing, advising Chicago mayor Harold Washington and mentoring generations of activists. Incisive and in depth, *Word Warrior* tells the story of a tireless champion of African American freedom, equality and justice during an epoch that forever changed a nation.

**Soap Operas Worldwide** Marilyn J. Matelski, 1999. While the American soap opera is known primarily for its marketing value, producers, health professionals, politicians and rebels elsewhere focus on the serials' potential for social change. African Indian and South American serials offer information on family planning, child protection and AIDS; a Mexican telenovela parallels a government murder scandal; the program is so popular the state dare not censor it. In Russia, South American novelas are so popular that Boris Yeltsin manipulates programming to affect voters on polling day. Here is an examination of the economic and social impact of the soap opera with projections for the future. A chapter for each of the nine regions of the world offers demographic statistics of major countries, audiences, radio and television usage, stations available and synopses of the most popular serials.
