Seymour Smith, 1953-01-02 Originally published in 1953 What Shall I Read Next lists nearly 2000 works published after 1900 with the compiler s own appreciatory comments on selected items It was a companion volume to Mr Seymour Smith s *English Library* Both books are published on behalf of the National Book League In his introduction explaining the scope and purpose of the book Mr Seymour Smith wrote Some will find it useful merely as a shopping list reminding them of books they know something about already and serving as a remembrancer To others and particularly to younger readers it may introduce books which have so far escaped their notice It is hoped too that for booksellers and librarians it will have a practical use as a desk book for answering enquiries for serving as a check list for stock and for use as a reference book when memory fails **Bibliotheca curiosa.
