Mehran Kamrava

Soc Currents In E Europe P:

Understanding Comparative Politics Mehran Kamrava, 2002-11-01 Comparative politics has undergone significant theoretical changes in recent decades. Particularly since the 1980s, a new generation of scholars have revamped and rejuvenated the study of the subject. Mehran Kamrava examines current and past approaches to the study of comparative politics and proposes a new framework for analysis. This is achieved through a comparative examination of state and social institutions, the interactions that occur between them, and the political cultures within which they operate. The book also offers a concise and detailed synthesis of existing comparative frameworks that up to now at least have encountered analytical shortcomings on their own. Although analytically different in its arguments and emphasis from the current Mainstream genre of literature on comparative politics, the present study is a logical outgrowth of the scholarly works of the last decade or so. It will be essential reading for all students of comparative politics.

Burke, Barbara Weill, 2023-03-20 *Public Health and Society: Current Issues* analyzes current public health issues in a historical context while relating them to individual lives. The text emphasizes the social determinants of health, social justice, and the climate crisis by leading off with these important topics and then integrates them where appropriate throughout the text. Subsequent chapters explore gun violence, the opioid epidemic, tobacco vaping, and alcohol use. COVID-19, mental health, environmental health, chronic disease, emerging and reemerging diseases, and more. Key features: In the News articles bring public health topics up to date and underscore their modern relevance. Personal vignettes humanize public health issues and make them resonate for readers. Short histories put current issues into historical context, for example, the opioid epidemic. Ch 5 and alcohol and tobacco use. Ch 6 Comprehensive and up to date data and references are included throughout the text.
