- An **indirect free kick** is a free-kick where the player taking the kick cannot score directly from the kick. The ball must touch another player before a goal can be scored, most other types of foul apart from from a contact foul or a handball
- **All free kicks** are taken from the place where the offense occurred.

- stand facing the field of play
 - have part of each foot on the touchline **or** on the ground outside the touchline
 - throw the ball **with both hands** from behind and over the head **from the point** where it left the field of play

16. THE GOAL KICK

- A goal kick is awarded when the **whole of the ball** passes over the goal line, on the ground or in the air, having **last touched** a player of the **attacking** team.
- After the ball is in play the kicker cannot touch the ball again **before** it has touched another player.
- The ball must be stationary and is **kicked from any point within the goal area** by a player of the defending team.
