Social and Community Paediatrics in Developing Countries G. J. Ebrahim, 1985 Cities for Children Sheridan Bartlett, Roger Hart, David Satterthwaite, Ximena de la Barra, Alfredo Missair, 2016-04-29 Urban authorities and organizations are responsible for providing the basic services that affect the lives of urban children Cities for Children is intended to help them understand and respond to the rights and requirements of children and adolescents It looks at the responsibilities that authorities face and discusses practical measures for meeting their obligations in the context of limited resources and multiple demands While the book emphasizes the challenges faced by local government it also contains information that would be useful to any groups working to make urban areas better places for children Cities for Children begins by introducing the concept history and content of children's rights and the obligations they create for local authorities The volume then goes on to look at a variety of contentious issues such as housing community participation working children community health education and juvenile justice The final section of the book discusses the challenge of establishing systems of governance that can promote the economic security social justice and environmental care essential for the realization of children's rights It follows through the practical implications for the structure policies and practices of local authorities Written by the top experts in the field of children's issues and including a resource section which lists publications and organizations that can provide further information and support this volume is a must for all involved in planning for and the protection of children within the urban environment *National Library of Medicine Current Catalog* National Library of Medicine (U.S.), **Abstracts on Rural Development in the Tropics**, 1991 *Current Catalog* National Library of Medicine (U.S.), First multi year cumulation covers six years 1965-70 The Reproductive Health Problems of Teenage Childbearing in Botswana Rolang George Majelantle, 1998 Basic Needs and the Urban Poor P. J. Richards, A. M. Thomson, 2017-10-12 Originally published in 1984 The diverse problems suffered by the urban poor in Asia and the means by which their welfare levels can be raised are investigated comprehensively in this study All chapters written by specialists deal with a particular subject but the general theme remains that the factors causing urban poverty and low income levels are interconnected and transmitted from one generation to another It is intended that this study will lead to discussion of the problems involved in providing services for the urban poor and result in the increased responsiveness of urban management This title will be of interest to students of urban and development studies **The British Library General Catalogue of Printed Books, 1986 to 1987** British Library, 1988 **Whitaker's Books in Print**, 1998 **British Book News** British Council, 1988 Includes no 53a British wartime books for young people **Public Administration** Great Britain.
