Style Structure In The Praeludia Of Dietrich Buxtehude:

Style and Structure in the Praeludia of Dietrich Buxtehude Lawrence Archbold, 1985 **Style and Structure in the Praeludia of Dietrich Buxtehude** Lawrence Archbold, 1985 *Style and Structure in the Praeludia of Dietrich Buxtehude* Larry Leo Archbold, 1981 **The Stylus Phantasticus and Free Keyboard Music of the North German Baroque** Paul Collins, 2017-07-05 The concept of stylus phantasticus or fantastic style as it was expressed in free keyboard music of the north German Baroque forms the focus of this book Exploring both the theoretical background to the style and its application by composers and performers Paul Collins surveys the development of Athanasius Kircher's original concept and its influence on music theorists such as Brossard Janovka Mattheson and Walther Turning specifically to fantasist composers of keyboard works the book examines the keyboard toccatas of Merulo Frescobaldi Rossi and Froberger and their influence on north German organists Tunder Weckmann Reincken Buxtehude Bruhns Lubeck Bohm and Leyding The free keyboard music of this distinguished group highlights the intriguing relationship at this time between composition and performance the concept of fantasy and the understanding of originality and individuality in seventeenth century culture Dieterich Buxtehude Kerala J. Snyder, 1987 An enlightening revised edition of the definitive biography on celebrated organist and composer Dieterich Buxtehude This book is a new edition of the most comprehensive life and works study of the great Baroque era organist and composer Dieterich Buxtehude ca 1637 1707 released to celebrate the tercentenary of the composer's death Originally published in 1987 and long out of print Dieterich Buxtehude Organist in Lubeck is considered by most musicologists to be the definitive biography It also includes close description of Buxtehude's compositional output from trio sonatas to the famed Abendmusiken Buxtehude's yearly oratorio presentations The young J S Bach traveled to Lubeck on foot in 1705 to learn as much as he could from the great master of the organ and of Lutheran church music The revised edition contains new information on the organs that Buxtehude played in Scandinavia and Lubeck excerpts from the newly available account books from St Mary's in Lubeck a discussion of newly discovered sources including one written by J S Bach an evaluation of recent scholarship on Buxtehude and an extensive bibliography Written for both the casual reader and the serious scholar The accompanying music CD this material is now provided on a companion website provides examples of all genres discussed in the book vocal works a trio sonata harpsichord music and organ music newly recorded on the North German meantone organ in Gothenburg Sweden by a noted specialist in this repertoire Hans Davidsson who is professor of organ at the University of Rochester's Eastman School of Music and the founder of the Göteborg Organ Art Center GOArt Kerala J Snyder is Professor Emerita of Musicology Eastman School of Music University of Rochester Organ Literature Corliss Richard Arnold, 2003-02 Now in paperback Cloth edition 0 8108 2964 9 originally published in 1995 Historical Dictionary of Baroque Music Joseph P. Swain, 2013-06-06 Although it lies far back running roughly from about 1600 to 1750 the Baroque period is far from forgotten and Baroque music is played widely today as well exercising numerous musicians and attracting

rather substantial audiences It experienced the emergence of a new sort of music increasingly secular and increasingly good listening if you will and also the start of opera Some of the Baroque composers appear among the most popular of all time such as Bach Handel and Vivaldi So yes this is a book for researchers but it is also a good book for anyone who enjoys this music The Historical Dictionary of Baroque Music certainly fills a significant space in the whole sub series on music since it tells us much more not only about the music but also the age that generated it This is done particularly well in an insightful introduction with the flow of events traced by the chronology The dictionary section fills in the missing details with over 400 entries on the most important composers and musicians some of the musical works themselves important places and institutions and a smattering of technical terms The bibliography directs us to further reading

Keyboard Music Before 1700 Alexander Silbiger, 2004-08-02 Keyboard Music Before 1700 begins with an overview of the development of keyboard music in Europe Then individual chapters by noted authorities in the field cover the key composers and repertory before 1700 in England France Germany and the Netherlands Italy and Spain and Portugal The book concludes with a chapter on performance practice which addresses current issues in the interpretation and revival of this music

Handel, Tercentenary Collection Stanley Sadie, Anthony Hicks, 1987

A Topical Guide to Schenkerian Literature David Carson Berry, 2004 To the growing list of Pendragon Press publications devoted to the work of Heinrich Schenker we wish to announce the addition of this much needed bibliography The author a student of Allen Forte has created a work useful to a wide range of researchers music theorists musicologists music librarians and teachers The Guide is the largest Schenkerian reference work ever published At nearly 600 pages it contains 3600 entries 2200 principal 1400 secondary representing the work of 1475 authors Fifteen broad groupings encompass seventy topical headings many of which are divided and subdivided again resulting in a total of 271 headings under which entries are collected

The New Grove Dictionary of Music and Musicians: Borowski to Canobbio Stanley Sadie, 2001

Pitch, Tuning, and Temperament in the Organ Works of Dietrich Buxtehude (1637-1707) Sharon L. Gorman, 1986

Dietrich Buxtehude Gilles Cantagrel, 2006-10-11 Longtemps Buxtehude est demeuré un inconnu Tr s c l bre en son temps au point que le jeune Jean S bastien Bach a fait pied le voyage pour aller l entendre Lubeck et travailler avec lui il a souffert de n avoir pas t dit de son vivant Et comme pour tant d autres musiciens de l poque baroque l volution des go ts l a fait oublier Le regain de faveur consid rable dont jouit aujourd hui la musique des XVIIe et XVIIIe si cles remet en pleine lumi re cette haute figure celle de l un des plus grands artistes de son temps avec Purcell Charpentier ou Corelli Les organistes jouent ses oeuvres mais on commence seulement d couvrir sa musique vocale si riche et si diverse pr s de cent vingt cantates Des enregistrements de plus en plus nombreux donnent entendre l importance de son apport Si l ann e 2007 voit la comm moration du tricentenaire de sa mort le seul grand livre en langue fran aise remontait 1913 Le moment tait donc venu de pouvoir disposer d une nouvelle tude de fond sur ce grand cr ateur Pour clarifier le musicien et son poque Gilles Cantagrel s est appuy sur de nombreux textes jusqu alors in dits en fran ais qui clarent un
