Subaltern Studies:

Selected Subaltern Studies Ranajit Guha, Gayatri Chakravorty Spivak, 1988 These ten essays culled from the five volumes of Subaltern Studies aim to promote a systematic and informed discussion of subaltern themes in the field of South Asian studies and thus help to rectify the elitist bias characteristic of much research and academic work in this particular area

Mapping Subaltern Studies and the Postcolonial Vinayak Chaturvedi, 2012-11-13 Inspired by Antonio Gramsci's writings on the history of subaltern classes the authors in Mapping Subaltern Studies and the Postcolonial sought to contest the elite histories of Indian nationalists by adopting the paradigm of history from below Later on the project shifted from its social history origins by drawing upon an eclectic group of thinkers that included Edward Said Roland Barthes Michel Foucault and Jacques Derrida This book provides a comprehensive balance sheet of the project and its developments including Ranajit Guha's original subaltern studies manifesto Partha Chatterjee Dipesh Chakrabarty and Gayatri Spivak

Mapping Subaltern Studies and the Postcolonial Vinayak Chaturvedi, 2000 This volume in the Mapping series offers a balance sheet of the Subaltern Studies Project an intervention in South Asian history and politics which has generated an impact in Latin American Irish and African Studies

Habitations of Modernity Dipesh Chakrabarty, 2002-07-15 In *Habitations of Modernity* Dipesh Chakrabarty explores the complexities of modernism in India and seeks principles of humaneness

grounded in everyday life that may elude grand political theories The questions that motivate Chakrabarty are shared by all postcolonial historians and anthropologists How do we think about the legacy of the European Enlightenment in lands far from Europe in geography or history How can we envision ways of being modern that speak to what is shared around the world as well as to cultural diversity How do we resist the tendency to justify the violence accompanying triumphalist moments of modernity Chakrabarty pursues these issues in a series of closely linked essays ranging from a history of the influential Indian series Subaltern Studies to examinations of specific cultural practices in modern India such as the use of khadi Gandhian style of dress by male politicians and the politics of civic consciousness in public spaces He concludes with considerations of the ethical dilemmas that arise when one writes on behalf of social justice projects Can the Subaltern Speak? Rosalind Morris,2010-01-22 Gayatri Chakravorty Spivak's 1988 essay Can the Subaltern Speak introduced questions of gender and sexual difference into analyses of representation and offering a profound critique of both subaltern history and radical Western philosophy Spivak's eloquent and uncompromising arguments engaged with more than just power politics and the postcolonial They confronted the methods of deconstruction the contemporary relevance of Marxism the international division of labor and capitalism's worlding of the world calling attention to the historical and ideological factors that efface the possibility of being heard Since the publication of Spivak's essay the work has been revered reviled misread and misappropriated It has been cited invoked imitated and critiqued In these phenomenal essays eight scholars take stock of this response They begin by contextualizing the piece within the development of subaltern and postcolonial studies and the quest for human rights and then they think with Spivak's essay about historical problems of subalternity voicing and death A final section situates Spivak's work in the contemporary world particularly through readings of new international divisions of labor and the politics of silence among indigenous women of Guatemala and Mexico In an afterword Spivak herself looks at the interpretations of her essay and its future incarnations while specifying some of the questions and histories that remain secreted in the original and revised versions of Can the Subaltern Speak both of which are reprinted in this book
