Subalterns Choice:

Empowering Subaltern Voices Through Education Urmee Chakma, 2023-02-28 Based on a four year long empirical study this book employs contemporary theories from the Global South to investigate the role of education in the experience of migration and settlement of the Chakma people of Bangladesh in the city of Melbourne Australia Exploring the migration opportunities taken up by the Chakma and their efforts to retain promote and enrich their ethnic identity in Australia the book critically examines the importance of education for ethnic linguistic and religious minorities and the extent to which education helped the diasporic community in achieving a better and more secure life It also positions education as a tool to help revive maintain and enrich the importance of culture and tradition both in the home country and in the place of settlement and offers a theorisation of how the self directed pursuit of education can create opportunities for minority peoples to advocate human rights Indigenous recognition and criticise a state s failure to provide safety and security This book will be of interest to academics and postgraduate students researching in the fields of education diaspora studies Indigenous studies and migration studies

Subaltern Political Subjectivities and Practices in the Nineteenth and Twentieth Centuries Karen Lauwers, Sami Suodenjoki, Marnix Beyen, 2023-06-09 Approaching subalternity from a broad Gramscian angle this edited collection contributes to the understanding of popular politics in parliamentary autocratic and colonial contexts The book explores individual stories and micro histories of complaints requests rumors and other mediated and unmediated interactions between political institutions and the subjects they claimed to govern or represent It challenges the approaches of institutionally oriented political historiography and its attention to the top down construction of political representation citizenship and power and powerlessness The book discusses more subtle forms of agency and the spaces these pertained to which could indicate contestation or resistance taking place within a framework of loyalty towards the existing political institutions This research does not only bridge the divide between political and apolitical frames of reference but it also provides a new perspective on the dichotomy between loyalty and resistance by acknowledging the nuances of these seemingly opposing stances With case studies from Europe North Africa South America and India the chapters cover political communication in proto democratic democratic imperial and authoritarian contexts This volume is crucial reading for undergraduates postgraduates and scholars in history and social sciences who are interested in political culture and the mechanisms of negotiating local national or imperial identities Chapter 4 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution 4.0 International CC BY 4.0 license

The Subaltern Speak Michael W. Apple, Kristen L. Buras, 2013-01-11 The question of whose perspective experience and history is privileged in educational institutions has shaped curriculum debates for decades In this insightful collection Michael W Apple and Kristen L Buras interrogate the notion that some knowledge is worth more than others The Subaltern Speak combines an analysis of the ways in which various forms of power now operate with a specific focus on

spaces in which subaltern groups act to reassert their own perceived identities cultures and histories Subaltern Vision Aparajita De,Amrita Ghosh,Ujjwal Jana,2012-01-17 Ever since the Gramscian notion of the subaltern became the lynch pin of the counter hegemonic project developed by the Subaltern Studies group in the early 1980s attempts to give voice to India s unrepresented or under represented classes have played a *Power* John Scott,2018-02-21 This far reaching study gives a concise and coherent overview of the debates surrounding the analysis of social power The concept of power is outlined and its main dimensions are explored through consideration of various facets command pressure constraint discipline protest and interpersonal power The book examines both the theoretical debates that have arisen and the kinds of empirical materials relevant to them Topics covered include the nature of the contemporary state global economic power world systems business governance professional power social movements and family dynamics *Power* will be an indispensable introduction for students and researchers in sociology politics and the social sciences generally **The Language of Employability** Maria Fotiadou,2022-10-01 This book employs a corpus based Critical Discourse Analysis CDA methodology to analyse the language used by university careers services in the UK Drawing on a corpus which includes the public facing websites of careers services from 24 Russell Group and 34 Post 92 universities the author highlights some of the potentially problematic common sense views and ideas that are currently promoted to students using these services She argues that the language used by university websites promotes neoliberal ideology and encourages the denaturalisation of such language This book will be of interest to linguists sociologists education scholars and scholars who are otherwise interested in the notion of employability

Subaltern Lives Clare Anderson,2012-04-05 *Subaltern Lives* uses biographical fragments of the lives of convicts captives sailors slaves indentured labourers and indigenous peoples to build a fascinating new picture of colonial life in the nineteenth century Indian Ocean Moving between India Africa Mauritius Burma Singapore Ceylon the Andaman Islands and the Australian colonies Clare Anderson offers fresh readings of the nature and significance of networked Empire She reveals the importance of penal transportation for colonial expansion and sheds new light on convict experiences of penal settlements and colonies as well as the relationship between convictism punishment and colonial labour regimes The book also explores the nature of colonial society during this period and embeds subaltern biographies into key events like the abolition of slavery the Anglo Sikh Wars and the Indian Revolt of 1857 This is an important new perspective on British colonialism which also opens up new possibilities for the writing of history itself *Mapping Subaltern Studies and the Postcolonial* Vinayak Chaturvedi,2012-11-13 Inspired by Antonio Gramsci s writings on the history of subaltern classes the authors in *Mapping Subaltern Studies and the Postcolonial* sought to contest the elite histories of Indian nationalists by adopting the paradigm of history from below Later on the project shifted from its social history origins by drawing upon an eclectic group of thinkers that included Edward Said Roland Barthes Michel Foucault and Jacques Derrida This book provides a comprehensive balance sheet of the project and its developments including Ranajit Guha s original subaltern

studies manifesto Partha Chatterjee Dipesh Chakrabarty and Gayatri Spivak **Subaltern Women's Narratives** Samraghni Bonnerjee, 2020-12-29 Subaltern Women's Narratives brings together intersectional feminist scholarship from the Humanities and Social Sciences and explores subaltern women's narratives of resistance and subversion Interdisciplinary in nature the collection focuses on fictional texts archival records and ethnographic research to explore the lived experiences of subaltern women in different marginalised communities across a wide geographical landscape as they negotiate their way through modes of labour and activism Thematically grouped the focus of this book is two fold to look at the lived experiences of subaltern women as they negotiate their lives in a world of political flux and conflicts and to examine subaltern women's dissenting practices as recorded in texts and archives This collection will push the boundaries of scholarship on decolonial and postcolonial feminism and subaltern studies reading women's subversive practices especially in the themes of epistemology and embodiment This book is aimed primarily at scholars postgraduates and undergraduates working in the fields of colonial and postcolonial studies It will appeal to both historians and scholars of nineteenth century and contemporary literature Specifically scholars working on subaltern theory feminist theory indigenous cultures anticolonial resistance and the Global South will find this book particularly relevant **Forty-one Years in India from Subaltern to Commander-in-Chief by Field-Marshal Frederick Sleight Roberts [Roberts]** Frederick Sleight Roberts, 1897

Cyberculture and the Subaltern Radhika Gajjala, 2012-11-24 Cyberculture and the Subaltern Weavings of the Virtual and Real edited by Radhika Gajjala maps how voice and silence shape online space in relation to offline actualities Thus it weaves the virtual and real in relation to so called old and new technologies using globalization and technology as the frame for examination Implicit in this investigation is the question of how offline actualities and online cultures are in turn shaped by online hierarchies as well as different kinds of local access to global contexts This book reveals the logic of particular global local directions that emerge within digital transnational capital and labor flows To this end the contributors to this volume examine various sites and intersections through critical lenses enabled by conversations and writings in subaltern studies affect theory postcolonial feminist theory critical cultural studies communication studies critical development studies and science and technology studies Contexts explored in this collection include microfinance online handloom contexts from India and Africa in relation to development discourse new technologies and virtual world marketing Through actual auto ethnographic engagement Cyberculture and the Subaltern reveals the interdependence of the economic political cultural and social in the production of the subaltern online **The Latin American Subaltern Studies Reader** Ileana

Rodríguez, 2001-09-24 Argues for the saliency of the category of the subaltern over that of class Neoliberal Globalisation and Resistance from Below Jasper Abembia Ayelazuno, 2018-08-15 As bearers of their own emancipation the political agency of the subaltern classes is a vexed question a time honoured one at that Why do the subalterns endure injustices without revolting most of the time but revolt sometimes against some injustices The euphoria of globalisation from below this book

argues skirts responsibility of addressing this question by presuming a groundswell of resistance across the world against neoliberal globalisation In contrast to this oeuvre Neoliberal Globalisation and Resistance from Below engages this question squarely by using the socio historical approach to explain why the subalterns resist neoliberal globalisation in Bolivia and not in Ghana The author urges scholars of critical political economy to pay greater attention to why the subalterns resist rather than how they resist or what the ideal end of their resistance should be Such refocusing of the research and political lens will yield a more realistic picture of what is politically possible in the social context of peripheral capitalism regarding an anti capitalist revolution The author further argues that this refocusing will cure many of the romantic anti capitalist claims and banal wishful thinking of a socialist revolution in peripheral capitalist regions such as Latin American The Middle East and North Africa MENA and Sub Saharan Africa Neoliberal Globalisation and Resistance from Below will be of interest to students and scholars of African politics neoliberalism globalisation political economy and subaltern politics *Digest of the Militia Laws of Massachusetts* Massachusetts,1851 Home-Grown Terrorism Thomas M. Pick,Anne Speckhard,2010-01-15 This book is part of the NATO Science for Peace and Security Series E Human and Societal Dynamics and is based upon the presentations of a NATO Research Workshop by the same title There are many recent examples of terrorist acts committed by radicalised Europeans with an immigrant heritage in 2004 the Dutch filmmaker Theo Van Gogh was assassinated by a Dutch citizen from Morocco origins because he produced a movie portraying Islam in an unconventional manner The same year in the United Kingdom the police foiled a potential terrorist attack and arrested eight men all of whom were British citizens of Pakistani descent Why some individuals with a migrant background become radicalised Issues about marginalisation societal exclusion lack of integration feelings of isolation powerlessness and humiliation are all part of the problem No amount of military or other coercive action will in itself do the trick of countering terrorism effectively without remedial action based upon a thorough knowledge of the underlying processes involved This book is meant to be a small but significant step in that direction With this purpose it gathers the views of a wide range of multidisciplinary experts about how to prevent home grown terrorism and what strategies should be developed to hinder its development It includes recommendations on how to counteract processes that provide a fertile subsoil for terrorism to develop how to interfere in the recruitment of potential terrorists and specific research recommendations with a special focus on young Muslims in Europe This publication is of interest to all international relations and security and defence specialists with a special relevance to those involved in the study of terrorism as a global threat *Can the Subaltern Speak?* Rosalind C. Morris,2010-03-16 Gayatri Chakravorty Spivak s original essay Can the Subaltern Speak transformed the analysis of colonialism through an eloquent and uncompromising argument that affirmed the contemporary relevance of Marxism while using deconstructionist methods to explore the international division of labor and capitalism s worlding of the world Spivak s essay hones in on the historical and ideological factors that obstruct the possibility of being heard for those who inhabit the

periphery It is a probing interrogation of what it means to have political subjectivity to be able to access the state and to suffer the burden of difference in a capitalist system that promises equality yet withholds it at every turn Since its publication *Can the Subaltern Speak* has been cited invoked imitated and critiqued In these phenomenal essays eight scholars take stock of the effects and response to Spivak's work They begin by contextualizing the piece within the development of subaltern and postcolonial studies and the quest for human rights Then through the lens of Spivak's essay they rethink historical problems of subalternity voicing and death A final section situates *Can the Subaltern Speak* within contemporary issues particularly new international divisions of labor and the politics of silence among indigenous women of Guatemala and Mexico In an afterword Spivak herself considers her essay's past interpretations and future incarnations and the questions and histories that remain secreted in the original and revised versions of *Can the Subaltern Speak* both of which are reprinted in this book

A subaltern's letters to his wife Subaltern,1901 *Negotiating Domination* Mohammed Hossain Sarker,2025-11-01 This book explores the remarkable agency and resilience of live in women Migrant Domestic Workers MDWs By delving into the lived experiences of Bangladeshi women in the Saudi Arabian migration corridor it provides an insightful representation of the struggles and strategies employed by approximately 8.45 million women domestic workers globally Unlike traditional literature that underscores exploitation and forced labor this book uniquely captures the diverse strategies MDWs utilize to navigate and overcome the pervasive power asymmetries and constraints in their employment relationships Through detailed accounts of everyday resistance coping mechanisms persuasive tactics and small scale confrontations the book challenges prevailing perceptions and offers a fresh perspective on MDWs agency Drawing on the experiences of 50 returnee MDWs this comprehensive book is a vital resource for scholars researchers policymakers and development partners in migration studies It invites readers to rethink the conventional portrayal of MDWs acknowledging their strength and ingenuity in the face of adversity and offering a nuanced understanding of their complex realities **Acts and Resolves Passed by the General**

Court Massachusetts,1890 **Dalits, Subalternity and Social Change in India** Ashok K. Pankaj,Ajit K. Pandey,2018-10-26 The linguistic origin of the term Dalit is Marathi and pre dates the militant intellectual Dalit Panthers movement of the 1970s It was not in popular use till the last quarter of the 20th century the origin of the term Dalit although in the 1930s it was used as Marathi Hindi translation of the word Depressed Classes The changing nature of caste and Dalits has become a topic of increasing interest in India This edited book is a collection of originally written chapters by eminent experts on the experiences of Dalits in India It examines who constitute Dalits and engages with the mainstream subaltern perspective that treats Dalits as a political and economic category a class phenomenon and subsumes homogeneity of the entire Dalit population This book argues that the socio cultural deprivations of Dalits are their primary deprivations characterized by heterogeneity of their experiences It asserts that Dalits have a common urge to liberate from the oppressive and exploitative social arrangement which has been the guiding force of Dalit movement This book has analysed this

movement through three phases the reformatory the transformative and the confrontationist An exploration of dynamic relations between subalternity exclusion and social change the book will be of interest to academics in the field of sociology political science and contemporary India
