The Soul James Essig, 2017-03-31 I thought that you as reader would enjoy this writing on the great dignity of the human soul This book offers a sharp contrast to the main topics on which I tend to post and was written and compiled from my heart I have often posted articles on extremely manned starship technologies and as a physicist I will continue to do such However I offer this rather long article as a sharing of my personal belief in the transcendent dignity of every human person and by corollary that of any of our ETI brothers and sisters With modern technological capabilities to monitor the various emotional and mental states of test subjects and the ability to measure and experimentally probe the electric and magnetic fields generated within the human body we sometimes are tempted to view the human soul as some form of corruptible energy field We long for a rekindling of a sense of mystery regarding the ephemeral reality of the human soul This book is motivated as an attempt to restore a sense of mystery in the minds and hearts of any and all persons who will read this post regarding that aspect of our human nature that seems to be beyond validation by modern science technology and medicine and which seems to defy certain and precise explanation by philosophers theologians and clergyman alike

Unveiling the Supernatural Pasquale De Marco, 2025-04-30 Unveiling the Supernatural is an exploration of the supernatural world from the existence of ghosts and spirits to the reality of UFOs and extraterrestrial life. It delves into the history, science, and cultural impact of the supernatural, providing a comprehensive overview of this fascinating and often mysterious realm. This book is divided into ten chapters, each of which covers a different aspect of the supernatural. Chapter 1 provides an introduction to the supernatural, exploring its nature and the different ways in which it has been defined and understood throughout history. Chapter 2 examines the evidence for the existence of ghosts and spirits, discussing the various types of hauntings and the techniques used to investigate them. Chapter 3 explores the nature of demons and other malevolent entities, discussing their origins, powers, and the ways to protect oneself from them. Chapter 4 investigates the world of cryptids and monsters, from the Loch Ness Monster to Bigfoot. It examines the evidence for their existence and the theories about their origins. Chapter 5 explores the phenomenon of UFOs and extraterrestrial life, discussing the history of UFO sightings, the evidence for alien abduction, and the implications of contact with extraterrestrial beings. Chapter 6 examines the history and practice of witchcraft and magic, discussing the different types of magic, the ethical implications of its use, and the role of witchcraft in modern society. Chapter 7 explores the nature of psychic abilities, including telepathy, clairvoyance, and mediumship. It discusses the evidence for the existence of these abilities and the ways in which they can be used to gain insight into the supernatural world. Chapter 8 examines the role of dreams and the subconscious in the supernatural. It discusses the different types of dreams, the theories about their meaning, and the ways in which they can be used to access the supernatural realm. Chapter 9 explores the relationship between the supernatural and the occult, discussing the history of the occult, the different types of occult practices, and the dangers of dabbling in the occult. Finally, Chapter 10 examines the impact of the supernatural on modern culture. It discusses the portrayal of the supernatural in literature, film, and television, and the ways in which the supernatural has influenced our beliefs and values. Unveiling the Supernatural is a comprehensive and thought-provoking exploration of the supernatural world. It provides a wealth of information on the different aspects of the supernatural, from the existence of ghosts and spirits to the reality of UFOs and extraterrestrial life. Whether you are a skeptic or a believer, this book will challenge your assumptions and open your mind to the possibility of the supernatural. If you like this book, write a review on Google Books.
