Subject Index to Poetry for Children and Young People, 1957 Subject Index to Poetry for Children and Young People
Violet Sell, 1957 **Index to Poetry for Children and Young People**, 1972 **Subject Index to Poetry for Children
and Young People** American Library Association, 1957 **Index of children s poetry** **A Basic Book Collection for Junior
High Schools**, 1960 **Bibliotherapy** Arleen McCarty Hynes, 2019-03-13 The recognition that literature can be a healing
tool is as old as Aristotle s discussion of catharsis In bibliotherapy an individual reads or listens to a work of literature
specifically for its therapeutic value But until now a real professional tool was lacking This handbook the first of its kind is
designed to teach both professionals and laypersons how to use the whole spectrum of literature from poetry to science
fiction to promote greater self knowledge to renew the spirit and in general to aid in the healing process Beginning with an
explanation of the theoretical basis for bibliotherapy the authors then provide a comprehensive overview of the procedures
and goals of the discipline The material is presented in such a way that the process may be adapted to the particular
educational or psychological approach favored by the practitioner for the therapeutic treatment of individuals who have been
abused or are chemically dependent physically disabled emotionally disturbed hospitalized in correctional institutions or
simply facing difficult or stressful life situations The authors also offer insights for using bibliotherapy to promote the healthy
growth and development of children and to provide psychological help and guidance to adults and the aging Case studies
from practice and training experiences illustrate the principles of bibliotherapy in addition the authors include end of chapter
study questions for persons involved in therapy and self help and practicum guides for professionals Taken together these
materials comprise a unique and invaluable reference work in a new and significant field **The Quote Sleuth** Anthony W.
Shipps, 1990 The tracer s goals are to identify the source of a quotation to find or to produce detailed citation based on a
reliable edition of the work to find an authoritative text of the passage being traced and to do all this in the shortest time
possible and with the least possible amount of effort **A Bibliographic Guide to Educational Research** Dorothea M.

Approximately one thousand annotated entries are arranged by reference genre with sub groupings related to literary genre
Children's Literature in the Elementary School Charlotte S. Huck,1979 In Children s Literature in the Elementary School
Charlotte S Huck advances the view that exposing children to good quality children s literature is a vital element of
successful school reading programs Books for children should be 1 works of high literary quality 2 useful in the curriculum
and 3 appeal to the young reader Volumes that address this subject have traditionally been tasked with meeting a wide
variety of objectives in higher education if adopted by education departments methodological matters are stressed under the
school of library science bibliography is the object and under the English department textual analysis is emphasized This text
is sufficiently broad as to adapt itself to any one of these approaches and should serve as a valuable guide for teachers
librarians and elementary educators in any capacity **Teaching Reading, Thinking, Study Skills in Content**
