Substance Its Nature And Existence:

Substance Joshua Hoffman, Gary S. Rosenkrantz, 1997 Substance Its Nature and Existence is one of the first accessible introductions to the history and contemporary debates surrounding the idea of substance An important and often complex issue substance is at the heart of Western philosophy Substances are distinguished from other kinds of entities such as properties events times and places This book investigates the very nature and existence of individual substances including both living things and inanimate objects

Substance Joshua Hoffman, Gary Rosenkrantz, 2002-02-07 Substance has been a leading idea in the history of Western philosophy Joshua Hoffman and Gary S Rosenkrantz explain the nature and existence of individual substances including both living things and inanimate objects Specifically written for students new to this important and often complex subject Substance provides both the historical and contemporary overview of the debate Great Philosophers of the past such as Aristotle Descartes Spinoza Leibnitz Locke and Berkeley were profoundly interested in the concept of substance And the authors argue a belief in the existence of substances is an integral part of our everyday world view But what constitutes substance Was Aristotle right to suggest that artefacts like tables and ships don t really exist Substance Its Nature and Existence is one of the first non technical accessible guides to this central problem and will be of great use to students of metaphysics and philosophy

The Collected Works of Spinoza, Volume 1 Benedictus de Spinoza, 1985-09-21 The Collected Works of Spinoza provides for the first time in English a truly satisfactory edition of all of Spinoza s writings with accurate and readable translations based on the best critical editions of the original language texts done by a scholar who has published extensively on the philosopher s work The elaborate editorial apparatus including prefaces notes glossary and indexes assists the reader in understanding one of the world s most fascinating but also most difficult philosophers Of particular interest is the glossary index which provides extensive commentary on Spinoza s technical vocabulary A milestone of scholarship more than forty five years in the making The Collected Works of Spinoza is an essential edition for anyone with a serious interest in Spinoza or the history of philosophy Inside jacket flap
