Oliver Lodge, The Age of Urban Democracy Donald Read, 2014-06-17 This ambitious survey covers all aspects of the
period in which English society acquired its modern shape industrial rather than agricultural urban rather than rural
democratic in its institutions and middle class rather than aristocratic in the control of political power For this revised edition
the footnotes and bibliography have been fully updated and the entire text has been reset in a larger and more attractive
format An ideal introduction to the subject it masters a huge amount of material through its clear structure sensible
judgements and approachable style **The Presbyterian** , 1908
