Coron,Mse Jonathan P Coron

MS,2017-04-09 This manual was recommended to you provided for you or purchased out of interest Professors of education may also find this manual interesting as relatively few of them have had experience with substitute teaching It is one of the valuable resources that subs can use This was designed to help make a potentially very difficult job perhaps a lot easier It is designed to help you not only survive but to feel confident and in relatively full control when you are working with students for perhaps the first time For best results read through this entire manual hopefully before your first substitute teaching session Most of the information provided in this manual is geared to middle school high school but a great deal of it is applicable to younger populations Ideally the substitute teacher can work with almost any age of student but the ideal is not common Most substitutes tend to work with just the population they feel most comfortable with and this is often the best thing to do unless the reader has a great need for salary and is willing to take whatever comes around for subbing
