David M. Levine, David Stephan

Suburban You:

The Suburban You Mark Falanga, 2004-09-21 You are about to discover that living in the suburbs is a whole lot funnier than you ever thought possible For this country's 145 892 494 give or take suburbanites Mark Falanga is an utterly deadpan and thoroughly entertaining spokesman Mark Falanga is a slick urban dweller at the top of his game professionally with a gorgeous corporate executive wife and a hip coterie in the coolest neighborhood in the city But when baby makes three Mark and his family enter the twilight zone called the suburbs where public schools are good many wives stay home and children ride their tricycles in the driveway Nothing is the same ever again With the dry wit of David Sedaris and Dave Barry's love of the absurd Falanga details his new suburban landscape from the point of view of a bewildered but gung ho everyman From the complex political pecking order in the neighborhood with its ultracompetitive block parties and its consuming holiday card rivalry to the surprises lurking on every corner such as the twelve year old pyromaniac next door and the suspiciously broad shouldered lady on the commuter train *The Suburban You* describes in slyly understated prose the vicissitudes of life in the burbs

Buried Truths, A Daughter's Tale Elsa Wolf, 2018-12-01 The deception surrounding an adoption in 1958 is at the heart of *Buried Truths, A Daughter's Tale* Heidi is whisked out of Germany to become the only known daughter of an older

American couple living in Paris By the time she turns four the family moves to Washington D C As Heidi matures into her teenage years she grows leery of her mother s bizarre behavior and her father s quiet disposition During Heidi s university years she is confronted by a stranger who gives her an envelope addressed to her uncle She confronts him and he reluctantly reveals disturbing facts The prospect of romance and a theatrical career temporarily overshadow his words Murder truths about her German family and the loss of her adopted parents reveal a treasure trove of secrets Confronting the Enemy Joe McNeil,2021-03-08 Once again Michael Sloan is called back into action with his partner Mark Dillingham this time it is to assist a young agent Cheri Ferguson complete her mission and prevent her from being killed After being attacked at Mike s cabin our trio barely escaped with their lives Intent on completing Cheri s original mission the team planned their attack I did as I was told when the car came up the lane I placed a round into the driver and watched for anyone to attempt to escape from the vehicle Mark approached the vehicle with a pistol in both hands and despite all the bullets that were being fired in his direction he systematically eliminated everyone else inside the car He looked like John Wayne in one of his war movies being hailed by bullets and not flinching When the mission was over I asked Are you crazy weren t you afraid that one of those thousands of bullets were going to hit you *Ice Cream Trade Journal* ,1922 Stolen Past Dean L. Hovey,2019 Doug Fletcher a retired Minnesota detective relocates to Arizona and a quiet life as a part time National Park Service ranger His plans change abruptly when a suspicious fall at a national monument plunges him into the world of stolen antiquities ruthless drug smugglers and shady antiques dealers Working with Jamie Ballard of the Navajo Nation Police Doug finds their investigation complicated by the demands of his visiting family a new boss an overly friendly neighbor the FBI and his new environment Review Snippets Hovey s greatest strength is his artful use of suspense Hovey writes a well researched story with realistic characters who aren t just cardboard cutouts like so many writers that crank out potboilers **Report** Commonwealth Shipping Committee,1912 **Votes & Proceedings** New South Wales. Parliament. Legislative Council,1800 *Life* John Ames Mitchell,1909 The Canadian Book of Snobs Victoria Branden,1998-09-01 Are you a snob Then why not learn to do it right Study this revolutionary work and become a Canadian Snob of Distinction Victoria Branden has traced the history of Snobbery from its pre human roots to our own era in our own country and has enunciated the definitive Theory of Snobbery She examines its evolution from its crude beginnings to its present confused state with detailed study of the most important types of snobbery distinguishing Goodsnobs from Badsnobs experts from fumbling amateurs Snobbery has influenced history at least as much as the invention of the wheel or the printing press which were probably actually inspired by snob instincts Always staunchly patriotic Ms Branden has given particular attention to Canadian Snobs who have been until this time gravely neglected in both life and literature and has provided Canadian Snobmodels by which we can be guided to higher and better levels of Snobbery She finds a certain lack of professionalism among Canadian Snobs Snobbery is not acknowledged as an Olympic contender and has received no recognition in this year s black budget So there is much to

be done urgently Branden has thoughtfully provided Snobexercises video later by which you can develop Snobmuscle Careful study with diligent practice and iron self discipline will help you to achieve great heights of Snob expertise using techniques and materials particularly suited to the Canadian climate and social mores Other how to books claim to make it easy to succeed We do not Achieving Snob distinction is hard gruelling and incessant work but the rewards are incalculable Any jerk can be a snob and usually is But to be a truly Great Snob an upper case Snob a Snob who will go down in history like Beau Brummell or Oscar Wilde ah that is attainable only by the few
