Donald Reeves

Subversive Orthodoxy Kenneth Leech, 1992 A personal encounter with racism a brilliant survey of 19th and 20th century spirituality and a model for renewal in Anglo Catholic socialism ABC The Wisdom of the Spirit Martyn Percy, Pete Ward, 2016-02-17 In this groundbreaking book exploring Christianity and contemporary culture internationally renowned scholars including David Martin Alister McGrath Billy Abraham Billy Kay and Pete Ward interface with the legacy of Andrew Walker's work and look forward in their own predictions of trends Following Walker's special interests in house churches charismatic renewal culture and faith this book picks up on these themes and also looks more broadly at topics such as Pentecostalism Alpha and post Evangelicalism The Wisdom of the Spirit Professor Pete Ward, Very Revd Prof Martyn Percy, 2014-09-28 In this groundbreaking book exploring Christianity and contemporary culture internationally renowned scholars including David Martin Alister McGrath Billy Abraham Billy Kay and Pete Ward interface with the legacy of Andrew Walker's work and look forward in their own predictions of trends Following Walker's special interests in house churches charismatic renewal culture and faith this book picks up on these themes and also looks more broadly at topics such as Pentecostalism Alpha and post Evangelicalism The Kenotic Trajectory of the Church in Donald MacKinnon's **Theology** Timothy G. Connor, 2011-09-29 **Re-enchanting Christianity** Dave Tomlinson, 2013-02-12 Dave Tomilinson is author of The Post Evangelical a seminal book which acknowledged the disenchantment with simplistic approaches to faith experienced by many evangelicals Many locked into interpretations of Christianity that they can no longer accept have given up on the Church altogether But is re enchantment possible in our post modern post Christian age Re enchantment is not a return to credulity or an attempt to recapture lost innocence but it is finding a realistic faith that reconciles heart and head that offers a positive engaging spirituality that is unafraid of grappling honestly with difficult questions David L. Chappell, 2009-12-07 The civil rights movement was arguably the most successful social movement in American history In a provocative new assessment of its success David Chappell argues that the story of civil rights is not a story of the ultimate triumph of liberal ideas after decades of gradual progress Rather it is a story of the power of religious tradition Chappell reconsiders the intellectual roots of civil rights reform showing how northern liberals faith in the power of human reason to overcome prejudice was at odds with the movement's goal of immediate change Even when liberals sincerely wanted change they recognized that they could not necessarily inspire others to unite and fight for it But the prophetic tradition of the Old Testament sometimes translated into secular language drove African American activists to unprecedented solidarity and self sacrifice Martin Luther King Jr Fannie Lou Hamer James Lawson Modjeska Simkins and other black leaders believed as the Hebrew prophets believed that they had to stand apart from society and instigate dramatic changes to force an unwilling world to abandon its sinful ways Their impassioned campaign to stamp out the sin of segregation brought the vitality of a religious revival to their cause Meanwhile segregationists found little support within their white

southern religious denominations Although segregationists outvoted and outgunned black integrationists the segregationists lost Chappell concludes largely because they did not have a religious commitment to their cause The New Big Book of Christian Mysticism Carl McColman, 2023-08-29 This revised and expanded edition offers a big possibility the hope of achieving real experiential union with God The Christian of the future will be a mystic or will not exist This word of warning from theologian Karl Rahner was uttered half a century ago and today Christianity is indeed in crisis Is mysticism necessary for the survival of Christianity What exactly is Christian mysticism How can it be relevant in our crisis ridden world Questions like these inspire The New Big Book of Christian Mysticism a newly updated edition from beloved spiritual teacher and bestselling author Carl McColman The New Big Book of Christian Mysticism serves as both introduction and practical instruction for a living contemplative practice today In addition to the overview of mysticism spiritual and prayer practices in mysticism the various types of mysticism in Christian tradition and influential mystics through the millennia this second edition offers an embodied understanding of the mystic life with a more diverse range of voices and perspectives from Howard Thurman to Pauli Murray It also includes new chapters and themes that address embodied mysticism contemplation and social justice and the ongoing relevance of Jesus s message of radical equality and inclusivity This bigger book introduces both Christians and non Christians to the contemplative tradition within Christianity a tradition that has often been marginalized or cloistered to the church's detriment As a practice oriented book this is an invitation to embrace the mystical element within Christianity a practice that can equip faithful persons with a joyful sense of divine intimacy not just for personal benefit but as a foundation to a life of service and activism in the interest of justice McColman's overview of mysticism shows how it has been practiced and lived through the centuries and will prove inspirational for today s seekers regardless of their faith tradition At its heart Christian mysticism is an ancient practice that incorporates meditation contemplation worship philosophy the quest for enlightenment the thirst for a better world and the experience of divine **Answering the Contemplative Call** Carl McColman, 2021-11-16 The mystical path is not some sort of static presence experience for the select few says Carl McColman rather it is a living tradition a rich and many layered dimension of spirituality that is in large measure a quest to find the mysteries at the heart of the universe paradoxically nestled within the heart of your own soul McColman first introduced readers to Christianity s lost mystical roots in his popular book The Big Book of Christian Mysticism Now McColman is back with Answering the Contemplative Call to show readers how to apply the riches of the mystical tradition to daily living McColman quotes from the great mystics of the Christian tradition who have also traveled this path including Teresa of Avila Thomas Merton Evelyn Underhill and more In Answering the Contemplative Call McColman offers a practice that will help readers come to a place meaning and purpose in their lives **Twentieth** Century Anglican Theologians Stephen Burns, Bryan Cones, James Tengatenga, 2020-11-24 A scholarly volume that reflects the rich diversity of Anglican theology With contributions from an international panel of writers Twentieth Century Anglican

The results yield valuable insights for a theology that challenges every personal and political status quo
