Crafting Comparison Papers Marcia S. Freeman, 2013 Since comparison papers require students to describe both similarities and differences they are often used as assessment tools in just about every subject For this reason alone developing writers should be taught how to craft effective comparison papers But teaching your students how to compose comparison papers also has a larger impact on their education it prepares them to think more analytically perform better in complex testing situations and compare texts In *Crafting Comparison Papers* Marcia S Freeman fully explains the four instructional steps that develop comparison skills understanding the concept of attributes organizing attributes for comparison building clear coherent comparative paragraphs and assembling effective comparison papers She includes lessons with specific Target Skills TM to support your students progress and she suggests timelines that will help you plan your curriculum Throughout Freeman's comprehensive approach and clear instructions make this book a unique and valuable resource for any teacher of developing writers

There's a Place For Us: The Musical Theatre Works of Leonard Bernstein Helen Smith, 2017-07-05 Leonard Bernstein was the quintessential American musician Through his careers as conductor pianist teacher and television personality he became known across the US and the world his flamboyance and theatricality making

him a favourite with audiences if not with critics However he is perhaps best remembered as a composer particularly of the musical West Side Story and for songs such as America Tonight and Somewhere Dr Helen Smith takes an in depth look at all eight of Bernstein s musical theatre works from the early On the Town written by the 26 year old composer at the start of his career to his second and last opera A Quiet Place in 1983 in between these two pieces he composed music for Trouble in Tahiti Wonderful Town Candide West Side Story Mass and 1600 Pennsylvania Avenue These works are analysed and considered against a background of musical and social context as well as looking at Bernstein s other orchestral choral and chamber works One important aspect examined is Bernstein s use of motifs in his theatre compositions which takes them out of the realms of Broadway and into the sphere of symphonic writing Smith provides an indispensable overview of the musical theatre works of an eclectic composer and shows what it is that constitutes the Bernstein sound Fussbusters on the Go Carol Baicker-McKee,2002 Offers parents practical strategies and activities to help them avoid temper tantrums melt downs and fights when out in public with their children **School Library Journal** ,2001 Catalog of Copyright Entries Library of Congress. Copyright Office,1950 The Categorization of Spatial Entities in Language and Cognition Michel Aurnague,Maya Hickmann,Laure Vieu,2007-04-18 Despite a growing interest for space in language most research has focused on spatial markers specifying the static or dynamic relationships among entities verbs prepositions postpositions case markings Little attention has been paid to the very properties of spatial entities their status in linguistic descriptions and their implications for spatial cognition and its development in children This topic is at the center of this book that opens a new field by sketching some major theoretical and methodological directions for future research on spatial entities Brought together linguistic descriptions of spatial systems formal accounts of linguistic data and experimental findings from psycholinguistic studies all couched within a wide cross linguistic perspective Such an interdisciplinary approach provides a rich overview of the many questions that remain unanswered in relation to spatial entities while also throwing a new light on previous research focusing on related topics concerning space and or the relation between language and cognition
