Postcards from Tomorrow Square James Fallows, 2009-01-06 Americans need not be hostile toward China's rise but they should be wary about its eventual effects The United States is the only nation with the scale and power to try to set the terms of its interaction with China rather than just succumb So starting now Americans need to consider the economic environmental political and social goals they care about defending as Chinese influence grows from China Makes the World Takes Since December 2006 The Atlantic Magazine's James Fallows has been writing some of the most discerning accounts of the economic and political transformation occurring in China The ten essays collected here cover a wide range of topics from visionary tycoons and TV battling entrepreneurs to environmental pollution and how China subsidizes our economy Fallows expertly and lucidly explains the economic political social and cultural forces at work turning China into a world superpower at breakneck speed This eye opening and cautionary account is essential reading for all concerned not only with China's but America's future role in the world

New York Magazine, 1976-03-29 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Building Chicago's Subways David Sadowski, 2018-10-01 Take a trip underground and see how Chicago's I Will spirit overcame challenges and persevered

to help with the successful building of the subways that move millions today While the elevated Chicago Loop is justly famous as a symbol of the city the fascinating history of its subways is less well known The City of Chicago broke ground on what would become the Initial System of Subways during the Great Depression and finished 20 years later This gigantic construction project a part of the New Deal overcame many obstacles while tunneling through Chicago s soft blue clay under congested downtown streets and even beneath the mighty Chicago River Chicago s first rapid transit subway opened in 1943 after decades of wrangling over routes financing and logistics It grew to encompass the State Street Dearborn Milwaukee and West Side Subways with the latter modernizing the old Garfield Park L into the median of Chicago s first expressway Building Chicago s subways was national news and a matter of considerable civic pride making it a Second City no more

The Underground Guide to New York City Subways Dave Frattini,2025-06-25 The only guide you will ever need to travel around New York City by subway From the theater district of trendy Manhattan to the quaint residential neighborhoods of Queens every single station in the four boroughs has been researched to help you maneuver the system like a pro Highly informative and resourceful highlights from Dave Frattini s *The Underground Guide to New York City Subways* include Noteworthy stations featuring the best in underground art The best nearby restaurants for affordable informal and ethnic dining Insightful historic information on the IND BMT and IRT transit lines A token rating scale that gives an honest assessment of each station s Decor Cleanliness Safety Surrounding neighborhoods Nearby points of interest such as museums theaters parks and shopping New York City residents and visitors alike will find this comprehensive handbook indispensable for riding the mass transit rails **Art and the Subway** Tracy Fitzpatrick,2009 Explores artistic production surrounding the world s most famous public transportation system from just before its opening in 1904 onwards Using images this work offers perspectives on ways in which the subway has been used as a subject about which to make art as a site within which to make art and as a canvas upon which to make art Hollywood 1900-1950 in Vintage Postcards Tommy Dangcil,2002-09-24 With the advent of new inexpensive photographic technology emerging in the United States during the mid 19th century communication by postcard became a very popular way to exchange travel stories news and gossip over the decades Drawing on a private collection of vintage postcards this new book features a history of Hollywood spanning half a century Exploring Hollywood before and after it became the entertainment capital of the world these images offer readers a glimpse of some of the city s most interesting places during its Golden Years Long before motion pictures arrived when the area was a residential neighborhood of beautiful homes and lemon groves Hollywood was just another suburb of Los Angeles striving to become a community From the familiar sights of Metro Goldwyn Mayer Studios and the Chinese Theater to the horse and buggy driven dirt roads and pineapple fields at the turn of the century Hollywood in Vintage Postcards will guide the curious through the city s progress in the first half of the 20th century *American Woman Suffrage Postcards* Kenneth Florey,2016-04-29 American women s suffrage activists were fascinated with suffrage themed postcards They collected them

exchanged them wrote about them used them as fundraisers and organized postcard day campaigns The cards they produced were imaginative and ideological advancing arguments for the enfranchisement of women and responding to antisuffrage broadsides Commercial publishers were also interested in suffrage cards recognizing their profit potential Their products though were reactive rather than proactive conveying stereotypes they assumed reflected public attitudes often negative towards the movement Cataloging approximately 700 examples this study examines the visual rhetoric of suffrage postcards in the context of the movement itself and as part of the general history of postcards Off the Beaten (Subway) Track

Suzanne Reisman, 2011-07-28 While it may seem that every possible attraction in New York City has been written about Off the Beaten Subway Track is the city's first guide to focus on one hundred unique off the beaten path destinations Some are small museums some are historic places long forgotten some are stores that sell only odd things and some are distinguished for their claim to fame as the world's largest smallest whatever All of them are notable for the passion with which their proprietors and curators care for them and all of them can be visited via the subway system as Suzanne Reisman directs you to which of the city's 486 subway stations will get you closest These attractions are the types of places and things that not only fit perfectly with the New Yorker's psyche and ego but also satisfy a tourist's desire to see the unusual For example the Big Apple is home to the world's tallest Doric column the world's largest armory the world's largest cathedral and the world's largest Reform synagogue The city also has a troll museum a numismatic museum a skyscraper museum doll and toy museums and a museum of comic and cartoon art In many cases half the fun of visiting these places is getting to meet the people behind them Organized geographically to help you to explore the culture and diversity of the city's great neighborhoods Off the Beaten Subway Track offers venues in Manhattan Lower Middle and Upper Brooklyn the Bronx Queens and Staten Island Also included in many of the entries are nearby places of interest within walking distance that you might also want to visit while you're in the neighborhood American Artists Against War, 1935-2010 David

Children's Spaces Mark Duke, 2012-05-04 This collection of essays is concerned with the experiences children have within the supervised worlds they inhabit as well as with architecture and landscape architecture International examples of innovative childcare practice are illustrated together with the design processes which informed their development The emphasis here is on new and experimental childcare projects which set out to reassert the rights of children to participate in a complex multi faceted world which is no longer available to them unless under adult supervision Research supports in depth recommendations regarding the ideal children's environment across a range of contexts and dimensions Until recent times the needs of children within the urban environment were largely ignored There is little tradition and no broadly agreed contemporary architectural or landscape theory as to how children should be provided for beyond a limited functional agenda There is a sense that architecture for childhood is not taken seriously it is either whimsical and ephemeral or largely designed for adults an adjunct to the more important business of adult needs and aspirations Yet children access much of their education and development through play and social interaction with their childhood counterparts The spaces in and around children's daycare centres schools supervised parks and other dedicated children's environments are the subject of this collection As more and more purpose designed buildings and gardens for children are opened the need to listen to children and their carers is becoming more apparent Mark Duke gathers together a number of internationally recognized experts in the field of childcare environments to write about different aspects of the landscape They have been chosen in particular because of their background in enquiring research orientated work both theoretical and practical They listen to and watch children Contributors have considered the child's environment as one which is secure and controlled yet offers additional environmental dimensions which extend developmental possibilities Children often spend a great deal of time in daycare facilities and schools as parents are absorbed in their own work and leisure activities This places an emphasis on architects and planners to consider the needs of children in great detail As such the children's environment must be conceived of as a rich complex place a world within a world We use the word LANDSCAPE in recognition that children do not differentiate between the inside and the outside private and public every part of their perception is open to stimulation by a
