Conwell,1921 The Secret of a Successful Christian Ministry Ferkah Ahenkorah,2014-01-30 The Secret of a Successful Christian Ministry is a short work inspired by a burning passion to ensure that contemporary Christian ministries thrive under a leadership that is solidly anchored in the Lord Jesus Christ and in biblical principles for leading the congregations of Christ Drawing strength from the idea that the shepherd is the single most important factor that makes the difference between success and failure in Christian ministries the book discusses a series of factors that could ensure a successful ministry for the Christian leader from the time he first receives his calling from God to the time he finishes his lifes course The presentation is illustrated with a wealth of biblical examples contemporary real ministry cases and historical anecdotes which give an insight into why some ministers have failed and why others have succeeded Obviously inspired by the Holy Spirit to improve the leadership of the church in these end times the book is not only an invaluable asset to any Christian minister who is eager for success in his calling but also a fruitful addition to the library of the average reader The 21 Most Effective Prayers Collection Dave Earley,2014-05-01 Find out why so many people enjoy Dave Earley s writing with The 21 Most Effective Prayers Collection Dave wrote The 21 Most Effective Prayers of the Bible in 2005 and produced four follow up books in a series that has sold more than a quarter million copies Now all five books are available in an omnibus edition The 21 Most Effective Prayers of the Bible The 21 Most Encouraging Promises of the Bible The 21 Most Dangerous Questions of the Bible 21 Reasons Bad Things Happen to Good People and The 21 Most Amazing Truths about Heaven Always personable and readable Dave Earley s books provide encouragement and hope for Christians of all ages and backgrounds Twelve Biblical Steps to a Successful Marriage David S. Thompson,2009-06 Marriage is one of the most satisfying and yet one of the most difficult relationships on earth God places a great importance on this relationship and gives very clear principles on how it is to be lived out in the daily life using the Word of God In Twelve Biblical Steps these Biblical principles will be carefully analyzed and clearly explained so that every Christian couple can grasp their significance and begin to carry them out in their marriages Some of these Biblical principles that are covered in this book are as follows Follow the instructions Building a spiritual network Becoming friends not just roommates Avoiding the triple threats Fight to unite not divide This book is not intended to cover all the challenges that married couples face It is not an in depth analysis of relationship issues It is not expected to answer all of the questions that couples may have as they learn to build a new home and a new family However it is a book that seeks to dig into God s Word and apply His truth to the marriage relationship The hope of this author is that the chapters that follow in this book will
