Schuller, 2001 **Make Your Own Waves** Gaurav Krishnan, 2025-05-28 Blurring myriad life experiences and the knowledge of trailblazers who have blazed the path before him Gaurav Krishnan's Make Your Own Waves is a culmination of ideas experiences and perspectives that hold transformational power and explore a significant shift in perspective on how to live life and experience it to the fullest Drawing inspiration from the likes of prominent thinkers and figures like Albert Camus Charles Bukowski Immanuel Kant and Alan Watts Ramana Maharshi Jiddu Krishnamurti to Eckhart Tolle and Steve Jobs the book is a modern intersection of Western and Eastern thought philosophy and exploratory ideas With each chapter unfolding in a more comprehensive delve into ideas and experiences that can usher a shift of thinking from the usual it serves as a deeper understanding of the human condition and perspectives that can help you on your way through life's ebbs and flows Make Your Own Waves urges a rethink and serves a blueprint for the thinkers creators and for anybody who wishes to think outside the box to uncover their path to progress peace and a deeper connection with themselves and others It's a modernist reflection on life in the 21st century and how to create a life more attuned with purpose peace and fulfillment in 45 thought provoking perspectives that will set you onward on your journey **20 Books for Personal Development** Roby Jose Ciju, 2021-03-18 It is very easy to get waylaid by the demands of personal and professional life We often stray from our intended course of journey and become demoralized soon We eventually end up with having a stagnant life rather than having the passion to pursue our dreams and goals Here comes the significance of some good inspirational books **Faith In Action** Tonny Rutakirwa, 2020-03-12 Faith in Action is the 5th book in the Awaken Series by Tonny Rutakirwa published on 25th March 2015 that shows you the importance of faith in your life and how it can instigate modern day miracles A Funny Thing

Happened On the Way To Communion Dale T. Stanton, 2022-02-18 Is the Bible a humorous book Probably most people wouldn't think of it as being funny at all Even as the Bible is regarded as the Word of God we find considerable ungodly human activity immorality wars rebellion murder adultery demon possession and just about every other facet of what we call the human condition Yes the Bible is full of some pretty serious and heavy stuff In spite of all this is there a remote possibility we might discover something amusing something to bring a smile on our face something that might even cause us to laugh Author Dale Stanton says Yes In his book *A Funny Thing Happened on the Way to Communion* Dale explores some of the subtle camouflaged and elusive gems of humor in the Bible that don't exactly leap out at you as one would find in a comic strip or a TV sitcom These hidden treasures of humor come alive in the biblical characters themselves revealed in all their human quirks foibles and idiosyncrasies which remind us that in many ways these biblical personalities are just like us Referring to many of the Scripture lessons that are read in church on Sunday morning Dale in his tongue in cheek style brings to life this collection of inconspicuous and sometimes wry nuggets of humor that might just make you laugh

Lifestyle for Total Development Rishi Kumar Jain, 2007-06-01 For a happy peaceful and meaningful life it is essential that we find time for our health family and personality development We cannot ignore our relationships in society and the spiritual enlightenment The Author has made an attempt to cover all these aspects in this book It is hoped that this simple book will inspire readers to adopt the right lifestyle for their total development Thus they will not only add happiness to their own life but will improve their relationships with family relatives neighbours society and in the long run serve the nation better *Individual Achievement in Social Systems from a Christian Perspective* William G. Covington, 2002-11 Some people allow circumstances and organizational structures to hold them back from achieving their identity through successful accomplishment This book shows you how to overcome organizational barriers and make a positive mark and as a result experience a feeling of satisfaction Success feeds success Dr Covington gives numerous examples of people who have made individual contributions working within their social systems *Mapping the Total Value Stream* Mark A. Nash, Sheila R. Poling, 2011-03-23 Mapping the Total Value Stream defines and elaborates on the concepts of value stream mapping VSM for both production and transactional processes This book reshapes and extends the lessons originally put forward in a number of pioneering works including the popular Value Stream Management for the Lean Office It reinforces fundamental concepts and theoretical models with real world applications and complete examples of the value stream mapping technique To educate VSM mappers on the specific mechanics of the technique the text provides in depth explanations for commonly encountered situations The authors also provide a more complete perspective on the concept of availability While they discuss availability of equipment in transactional processes they extend the concept by elaborating on availability as it applies to employees The calculation of process lead time for work queues is taken to an advanced level not only is the calculation of this lead time explained but the text also covers the very real possibility of having more work in the queue than

available time While previous books have focused on only production process VSM or transactional process VSM this work meets the real needs of both manufacturers and service sector organizations by dealing with both types It goes beyond explaining each scenario to teach readers what techniques are commonly applicable to both and also explains areas of difference so that mappers will be able to readily adapt to whatever unique situations present themselves The Ladder of Success Mahesh Jethmalani,2020-06-24 Few people know that the Ladder of success is crowded at the bottom but it is not so at the top Why The reasons thereof and nine rules to check whether the ladder you are climbing is leaning against the right wall or not have been discussed in the book This is necessary to check before climbing because there have been people who climbed the ladder and on reaching the destination they found that the ladder was leaning against the wrong wall They had to start from scratch Procrastination is the natural assassin of an opportunity It is the slow death because it starves action to death rather than dealing it one fatal blow This book also discusses how to beat the procrastination and do things now In nature the homing pigeon is a remarkable bird It has an uncanny instinct that enables it to fly back to its home roost no matter how far away it starts or in what direction it must go Our body also has such system which helps us achieving success once we write our goals and start working for our goals The book discusses specifically that success system of our body Most people do what they don't love because many of them don't know what they love to do This is known as one's Passion If you do what you love then chances of your mega success increase and those of failure decrease This book has detailed coverage on how to find one's passion which will be very useful for all the readers The book also discusses in details the prioritization of the activities to save time so that more work can be done in less time Besides the book highlights many other essential topics like how we are conditioned since our childhood which damages our belief system severely attitude and its development visualization of success even before you realize it how to avoid failures in your life and take failures as opportunities delayed gratification and many more **Competition Science Vision** ,2004-11 Competition Science Vision monthly magazine is published by Pratiyogita Darpan Group in India and is one of the best Science monthly magazines available for medical entrance examination students in India Well qualified professionals of Physics Chemistry Zoology and Botany make contributions to this magazine and craft it with focus on providing complete and to the point study material for aspiring candidates The magazine covers General Knowledge Science and Technology news Interviews of toppers of examinations study material of Physics Chemistry Zoology and Botany with model papers reasoning test questions facts quiz contest general awareness and mental ability test in every monthly issue **The 7 Wonders of the Personal Development World** Alistair Corrie,Sue Corrie,2011-11 We can get through life the easy way or the hard way It seems most of us are trying the hard way Yet we know people who seem to sail through life What is it that they do differently This is an introduction to the VitalSkills TM employed by those who seem to make life look easy The skills taught within the field of Personal Development are often referred to as soft skills We call these soft skills VitalSkills TM Those who study these skills
