Hidden Treasures; Or, Why Some Succeed While Others Fail Harry A. Lewis, 2021-01-01 This book is a timeless classic that examines the lives of well known successful people who started at the bottom and grew to become successful icons It has some of the greatest stories ever told It also describes the principles that lead to success as well as failure The book provides the answer to why some succeed while others fail This enlightening and eye opening read **Why Some Succeed While Others Fail** Harry A. Lewis, 2015-06-01 Some succeed while others fail This is a recognized fact yet history tells us that seven tenths of our most successful men began life poor As our title indicates we shall endeavor to show why some succeed while others fail Knowing that everybody desires success and recognizing the old adage Example is the best of teachers we have selected representative characters from the multitude of successful men who have climbed the ladder of success beginning at the bottom round These we have followed from childhood to manhood dwelling at length on the traits of character that have made them so rich and successful believing that a careful study will convince all that the proverbial luck had little to do with it On the contrary one is taught those lessons of self helpfulness and self reliance which are so essential to success in life s struggles It is fearful to think how many of our young people are drifting without an aim in life and do not comprehend that they owe mankind their best efforts We are all familiar with the parable of the slothful servant who buried his talent all may profit by his example To those who would succeed we respectfully present this volume Why Some Succeed While Others Fail Harry A. Lewis, Harry a Lewis, 2023-07-17 Hidden Treasures is a semi auto biographical work of Harry A Lewis which explores why some succeed while others fail This is a recognized fact yet history tells us that seven tenths of our most successful men began life poor As our title indicates we shall endeavor to show why some succeed while others fail Knowing that everybody desires success and recognizing the old adage Example is the best of teachers we have selected representative characters from the multitude of successful men who have climbed the ladder of success beginning at

the bottom round These we have followed from childhood to manhood dwelling at length on the traits of character that have made them so rich and successful believing that a careful study will convince all that the proverbial luck had little to do with it On the contrary one is taught those lessons of self helpfulness and self reliance which are so essential to success in life s struggles It is fearful to think how many of our young people are drifting without an aim in life and do not comprehend that they owe mankind their best efforts We are all familiar with the parable of the slothful servant who buried his talent all may profit by his example To those who would succeed we respectfully present this volume Why some succeed while others fail Harry A. Lewis,O. S. Marden,2023-02-08 Two ways are open before you in life One points to degradation and want the other to usefulness and wealth In the old Grecian races one only by any possible means could gain the prize but in the momentous race of human life there is no limiting of the prize to one No one is debarred from competing all may succeed provided the right methods are followed Life is not a lottery Its prizes are not distributed by chance There can hardly be a greater folly not to say presumption than that of so many young men and women who on setting out in life conclude that it is no use to mark out for themselves a course and then set themselves with strenuous effort to attain some worthy end who conclude therefore to commit themselves blindly to the current of circumstances Is it anything surprising that those who aim at nothing accomplish nothing in life No better result could reasonably be expected Twenty clerks in a store twenty apprentices in a ship yard twenty young men in a city or village all want to get on in the world most of them expect to succeed One of the clerks will become a partner and make a fortune one of the young men will find his calling and succeed But what of the other nineteen They will fail and miserably fail some of them They expect to succeed but they aim at nothing content to live for the day only consequently little effort is put forth and they reap a reward accordingly ABOUT THE AUTHORS Harry A Lewis entered Harvard College in 1964 and discovered his passion for computer programming during a part time job in a Harvard psychology laboratory He graduated summa cum laude in Applied Mathematics in 1968 Lewis served as a commissioned officer of the US Public Health Service during the Vietnam War worked on image processing and systems programming and later earned his PhD in Applied Mathematics He became a Gordon McKay Professor of Computer Science at Harvard and authored books on computer science and higher education Lewis also served as Dean of Harvard College from 1995 to 2003 Orison Swett Marden 1848 1924 was an American inspirational author who wrote about achieving success in life and founded SUCCESS magazine in 1897 His writings discuss common sense principles and virtues that contribute to a well rounded successful life Many of his ideas are based on New Thought philosophy His first book Pushing to the Front 1894 became an instant best seller Marden went on to publish fifty or more books and booklets averaging two titles per year **Why Some Firms Thrive While Others Fail** Thomas H. Stanton,2012-06-06 Why did some firms weather the financial crisis and others not This book investigates inner workings of over a dozen major financial and nonfinancial companies reveals what went wrong and proposes a remedy Regulators too must learn from past mistakes and require

constructive dialogue for companies they supervise Unfinished Book of Success Thomas Lanier,2015-05-18 This book is about one mans ongoing desire to find that elusive one degree of difference that will allow him to meet his goals in several areas The first area of concentration is the success of his company One Degree Sports LLC His second area of focus is to become a competitive golfer His third is to become a competitive chess and games player The fourth and final area is becoming a ballroom dance instructor Using several ideas that he has learned over the years he will try to find that one degree of difference that will help him look forward with success The methods that he will use have been said before but he finds them to be closer to what he believes Choosing his attitude asking the universe and people giving zero excuses being at his best respecting others but being who he is enjoying the moment and playing and finally seeing the success By honestly evaluating his situation and failures he will use these abovementioned tools to hopefully reach his potential and in turn help others have the opportunity to reach theirs **Bible Based Business** Henry Jackson,2019-07-16 Can we in this twisted world in which we live still walk in honesty and integrity Is it possible Can a person s word still be their honor It takes a person of steel to put decency of character before their own personal gains and pleasures Are you such a person Are you a person of principle Would you like to be The author challenges men and women to base their lives and businesses on principles learned from the Word of YHWH He claims the validity of the scriptures for today s modern society and through a study of almost three hundred passages of scripture he carefully presents its relevance to many aspects of common business life His call is for men and women to be givers in life and influencers for good He shows the importance of destiny and how ordinary people can take hold of that for which YHWH called them and in so doing achieve true satisfaction in life His call is valid It is exciting It is tremendously challenging It is not for the fainthearted *Personal Development - Life Stories* ,

Martin Lopez, 2022-01-06 Use reflection as a means to evaluate your situation and gain a new perspective that will thrust you forward to a new opportunity B Martin Lopez When you pursue a career path how often do you think what is required to be a leader achieve success and see failure as a positive As you read this book you will understand how reflection perspective and opportunity are critical in every aspect of your life and how developing into the person you dream of being requires more from you than you think This book covers important questions that people ask themselves at some point in their lives When you become a leader do you think to yourself where do I begin To achieve success do you think of what is required to attain it or keep it When you fail do you see the benefits that failure teaches you that success could not This book answers these important questions through the stories examples and insights that will equip you with a positive understanding that you can achieve your goals with the right mindset Life has a way of throwing curveballs at us that we just cannot hit and that is okay when you understand that the negatives and positives we experience shape and mold us into the person we are meant to become This book is where the rubber meets the road *Everybody Fails But Not Everybody Learns* , 2025-06-23 What do the US Marines freight rail staff computer programmers Formula 1 drivers and health care practitioners have in common They all experience errors and failures at work and the same set of models can explain why and how they can improve failure reduction Failure learning has emerged as a vibrant interdisciplinary area of research This book brings 14 scholars together in an edited volume containing failure studies and highlighting learning issues in settings such as freight rail nurses hand washing routines operating theatres aviation computer programming Formula 1 racing and the US Marines In depth analyses highlight what we know and offer deeper insights into the processes of non learning as well as learning The book contains an overview of 13 commonly used models when studying error and failure learning and interviews with a flight safety instructor a surgeon and an international business executive put the models used by scholars to the test and offer insights on how to refine and extend the theories Synthesizing across settings and theories the book highlights overlooked aspects of failure learning and outlines new areas of study that can help us better understand how to improve failure reduction *Failures in Cultural Participation* Leila Jancovich, David Stevenson, 2022-12-07 This open access book examines how and why the UK s approach towards increasing cultural participation has largely failed to address inequality and inequity in the subsidised cultural sector despite long standing international policy discourse on this issue It further examines why meaningful change

in cultural policy has not been more forthcoming in the face of this apparent failure This work examines how a culture of mistrust blame and fear between policymakers practitioners and participants has resulted in a policy environment that engenders overstated aims accepts mediocre quality evaluations encourages narratives of success and lacks meaningful critical reflection It shows through extensive field work with cultural professionals and participants how the absence of criticality transparency and honesty limits the potential for policy learning which the authors argue is a precondition to any radical policy change and is necessary for developing a greater understanding of the social construction of policy problems The book presents a new framework that encourages more open and honest conversations about failure in the cultural sector to support learning strategies that can help avoid these failures in the future
