Successful Careers Dont Just Happen The Nine Attributes Of Those Who Have Made It:

Successful Careers Don't Just Happen James Snedden,1998-09 **The Complete Film Production Handbook** Eve Light Honthaner,2013-09-23 This book is for working film TV professionals and students alike If you re a line producer production manager production supervisor assistant director or production coordinator the book has everything you ll need including all the forms contracts releases and checklists to set up and run a production from finding a production office to turning over delivery elements Even if you know what you re doing you will be thrilled to find everything you need in one place If you re not already working in film production but think you d like to be read the book and then decide If you choose to pursue this career path you ll know what to expect you ll be prepared and you ll be ten steps ahead of everyone else just starting out New topics and information in the fourth edition include Low budget independent films including documentaries and shorts Information specific to television production and commercials The industry s commitment to go green and how to do it Coverage of new travel and shipping regulations Updated information on scheduling budgeting deal memos music clearances communications digital production and new forms throughout **Campus** ,1980 **Alpha Males and Alpha Females** Bettina Al-Sadik-Lowinski,2023-05-22 What do international male business leaders have to say about gender diversity the rise of talented women into management and the opportunities for the sexes to work together harmoniously in boardrooms as well as the obstacles that stand in the way When most people think manager they think male Boardrooms around the world are still dominated by alpha men and their assertive decisive leadership styles Meanwhile their female counterparts alpha women remain underrepresented in almost every country Many women feel they ve been excluded and are calling for equality This book offers a fresh perspective on gender roles that moves away from the old paradigm of male domination and female victimhood It argues that companies that want to succeed need to productively combine and leverage off the strengths offered by men and women It covers how mixed leadership teams can be made the norm in international companies To find some answers Bettina Al Sadik Lowinski interviewed senior male executives from eleven countries These alpha men agree that women and their abilities should be better represented on company boards They believe the current imbalance is due to a mix of talented women s reluctance to pursue their career ambitions along with the barriers created by existing power structures Male managers fear losing face and being shown up by strong women They want recognition rather than aggression from their female colleagues The interviewees also discuss what they see as women s strengths such as their positive calming influence in male dominated meetings and comment on sensitive topics such as MeToo and the influence of erotic capital and old boys networks The book presents the men s views in their own words complemented by alternative perspectives from top female executives Al Sadik Lowinski s analysis shows how both sexes can work together in international companies to build a brighter sustainable future Alpha Males and Alpha Females seeks to promote greater equality at senior levels in global companies with mixed leadership teams made up of both qualified men and qualified

women It gives women who are interested in pursuing a management career an insight into men's views as well as advice on their personal career development And it suggests strategies that executives can adopt to strengthen diversity build mixed leadership teams and secure their companies long term success

The Bullshit Job Dilemma Conrad Riker, 2011-01-01 Are You Stuck in a Job That Feels Like a Waste of Time Do you feel like your job doesn't matter Are you tired of being told to man up while society shames you for being too masculine or not masculine enough Do you wonder why you feel empty despite working hard every day Conrad Riker understands your struggle In *The Bullshit Job Dilemma* he tackles the crisis of meaningless work and its impact on men's identity purpose and mental health This book is your guide to breaking free from the trap of unfulfilling jobs and reclaiming your masculine drive for purpose Inside this book Discover why modern jobs often leave men feeling empty and unfulfilled Learn how societal expectations create a double bind for men forcing them to navigate conflicting pressures Understand the psychological toll of bullshit jobs and how they erode your sense of self Explore the historical and economic forces that perpetuate meaningless work Challenge the misandrist narrative of toxic masculinity and reclaim your masculine identity Find out why traditional family roles and leadership are essential for a balanced society Gain practical strategies to escape the rat race and pursue meaningful purpose driven work Build a legacy of strength integrity and leadership for future generations If you want to break free from the cycle of unfulfilling work rediscover your purpose and reclaim your masculine identity then buy *The Bullshit Job Dilemma* today Your journey to authentic success starts here

Reluctant Managers (Routledge Revivals) Richard Scase, Robert Goffee, 2017-12-15 The manager is a crucial figure in debates about the future of the British economy in general and the working practices of private and public organizations in particular He or she is to be encouraged cajoled exhorted or at worst obliged to pursue organizational goals of greater economy efficiency and effectiveness Richard Scase and Robert Goffee examine the lives of managers in this study first published in 1989 The information in the book comes from in depth interviews with men and women in both private and public sector organizations The authors also explore managers' feelings towards their work and home lives and where their strongest alliances lie The book reveals that under increasing pressures at work and changing expectations at home managers are fundamentally reluctant to fulfil the committed entrepreneurial roles that many optimistically have been allocating to them This book is ideal for students of business and management
