## **Successful Listening:**

**Successful Listening** Carol Ashburn Roach, Nancy Wyatt, 1988 Listening is a topic that seems sadly neglected in the educational process In school we learn to read and write and sometimes to give speeches but seldom do we get any formal training in how to listen This book is designed to do exactly that to explain to students what to do in order to listen well Because we can't see someone listening we seem to assume that listening is a passive process something that somehow gets done rather than an active process that people have to work at Nothing could be farther from the truth Listening is in fact hard work and you have to know what you're doing to be a good listener Hearing is a natural process but listening is not
