51 Success Stories from Canadian Real Estate Investors Don R. Campbell, 2009-12-09 51 Success Stories from Canadian Real Estate

Investors chronicles the incredible successes and near misses of Canadian investors who employ strategies designed by Canada's best selling real estate author Don R Campbell. In his first two best sellers *Real Estate Investing in Canada* and *97 Tips for Canadian Real Estate Investors*, Campbell shows what it takes to succeed in real estate investing. In his third book, Campbell casts a spotlight on the success stories of investors as well as exploring examples of occasions when investing initiatives do not go so well. In his assessments, Campbell illustrates how to avoid these circumstances and what to learn from them. The end result is further proof that Campbell's time-proven techniques and in-depth knowledge are essential reading for every real estate investor in Canada.

Fables, *Women in Construction* Patience Tunji-Olayeni, Clinton Aigbavboa, Abimbola Windapo, Ayodeji Oke, 2024-11-25. This edited book aims to provide a collection of scientific evidence on gender issues in the construction industry that contributes to discussions on equality, gender diversity, and inclusion in the built environment. It also provides baseline data for policy design and future research on women in the built environment. Presenting research findings from Africa, India, and Australia, the aims of this book are broad, and it begins with an assessment of the gender-based challenges in the construction sector from the perspective of two generations of women. It goes on to discuss the issues affecting the recruitment and career

progression of women in construction and also to proffer solutions to the low turnout of women in the construction industry Further chapters cover issues on the retention and persistence of women in the sector despite the perceived gender rooted challenges Research into female leadership in the construction industry is also presented in this book with specific focus on the management of construction sites quantity surveying practice and digital leadership This book ends with a discussion on the impact of gender consideration on the sustainability of construction businesses accessibility of housing finance and infrastructure provisions such as markets The research in this book is key reading for scholars of construction management gender studies and DEI and the workplace

Information Systems Outsourcing Rudy Hirschheim, Armin Heinzl, Jens Dibbern, 2009-03-24 Three years have passed since the second edition of this book was published The field of IT outsourcing continues to grow in practice as well as in academia and draws further attention in both domains Aspects of traditional outsourcing Part II have remained pronounced but are becoming more mature While outsourcing determinants are still important they are now of less interest to researchers Relationship management Chap 1 and capability management Chap 2 continue to be of interest so too are outsourcing outcomes Chap 3 and as a new focus innovation aspects Chap 4 These are motivating more and more research activities complementing the lifecycle of traditional outsourcing We note significant growth in the field of IT offshoring Part II In our third edition we offer research results on offshoring patterns and trends Chap 5 the crucial aspect of knowledge sharing Chap 6 vibrant examples for offshoring dynamics Chap 7 and some new contributions on the determinants of offshoring success Chap 8 The last part of our book investigates the field of business process outsourcing Part III In this section issues such as standardization process outsourcing to India and deinstitutionalization patterns in the health care sector are presented Given these new subjects we believe that Enduring Themes Global Challenges and Process Opportunities is an appropriate subtitle for this third edition of the monograph Again we have thoughtfully compiled contemporary outsourcing research as a primer and a platform for scientific discourse
