Successful Student Guide To Community College:

The Successful Student's Guide to Community College Janet A. Amos, John M. Downes, 1994-01-01 **Student's Guide to Succeeding at Community College** Dorothy Lehman Hoerr, 2007-01-16 Community college students face a unique range of challenges This supplement which can be packaged with any Houghton Mifflin Student Success program serves as a guide for community college students as they deal with issues such as returning to school after a long time off balancing a full time job and family with the demands of a college education or coping with learning disabilities Developed to be flexible and user friendly the text allows students to pick and choose articles and topics that address their own personal challenges in beginning their education Articles covering topics such as finding your way around campus or telling your boss that you've decided to return to school can be taught in any order and can fit into any syllabus Written with a straightforward friendly style the text effectively identifies and addresses the challenges community college students face while guiding them toward taking charge of their own success *The Latino Student's Guide to College Success* Leonard A. Valverde, 2012-07-06 This book provides Latino students with a step by step roadmap for navigating the college process from overcoming cultural barriers to attending college to selecting the right school to considering advanced degrees The Latino community is the fastest growing minority group in America and quickly becoming a major player in America's workforce Unfortunately Latinos encounter cultural and societal obstacles that can hinder academic achievement This inspirational guide gives Latino students practical skills for advancing in a college environment The Latino Student's Guide to College Success Second Edition Revised and Updated provides a blueprint for collegiate success The first eight chapters guide students through subjects such as selecting a college navigating the application process forming effective study habits accessing student support services and planning for advanced degrees The second part is comprised of eight inspirational stories by Latino graduates sharing their college experiences Lastly a third section features a listing of colleges with a record of graduating the most Latinos as well as a list of the top ten colleges with the most undergraduate Latino students The revised and updated second edition of this popular book features the latest economic and demographic changes that have emerged since the first edition was published It also includes six new chapters introducing the impact of technological advancements and changes in cultural trends **Student Success in the Community College** Terry U. O'Banion, Marguerite M. Culp, 2020-12-15 For much of the twentieth century the definition of success for most community colleges revolved around student retention and graduation This definition no longer works if it ever did In *Student Success in the Community College What Really Works* respected community college leaders researchers and innovators argue that student success is about redesigning community colleges in a manner that is consistent with each college's mission goals student population and resources Concluding that there is no one size fits all approach to increasing student success chapter authors analyze national state and regional efforts to increase student success identify principles institutions can use to frame student

success initiatives and outline specific actions community colleges can take to increase student and institutional success

Student Success in the Community College What Really Works also provides concrete examples of effective student success initiatives in a variety of community college settings *Community College Student Success* Vanessa Smith Morest, 2012-12-19

Student Success From Board Rooms to Classrooms analyzes the emerging body of scholarly research on student success in an accessible and readable way that community college leaders will find both interesting and relevant To further illustrate the connections between research and practice case studies are drawn from community colleges that are engaging in reform Morest offers a three pronged approach for community college leaders seeking to improve the success of their students First community college leaders need to look around at the technological transformation that has occurred in other service sectors and import some of these ideas to student services Second community college leaders need to explicitly socialize their students to become college students and to bond with their community college Finally improving the quality of teaching is particularly important with regard to developmental education where students are attempting to master material that they have ostensibly been taught in the past
