Offensive Language Jim O'Driscoll, 2020-11-12 Why do people take offence at things that are said What is it exactly about an offending utterance which causes this negative reaction How well motivated is the response to the offence Offensive Language addresses these questions by applying an array of concepts from linguistic pragmatics and sociolinguistics to a wide range of examples from TV to Twitter and from Mel Gibson to Donald Trump Establishing a sharp distinction between potential offence and actual offence Jim O Driscoll then examines a series of case studies where offence has been caused assessing the nature and degree of both the offence and the documented response to it Through close linguistic analysis this book explores the fine line between free speech and criminal activity searching for a principled way to distinguish the merely embarrassing from the reprehensible and the censurable In this way a new approach to offensive language emerges involving both how we study it and how it might be handled in public life

Politics and the Slavic Languages Tomasz Kamusella, 2021-06-17 During the last two centuries ethnolinguistic nationalism has been the norm of nation building and state building in Central Europe The number of recognized Slavic languages in line with the normative political formula of language nation state gradually tallied with the number of the Slavic nation states especially after the breakups of Czechoslovakia the Soviet Union and Yugoslavia But in the current age of borderless cyberspace regional and minority Slavic languages are freely standardized and used even when state authorities disapprove As a result since the turn of the 19th century the number of Slavic languages has varied widely from a single Slavic language to as many as 40 Through the story of Slavic languages this timely book illustrates that decisions on what counts as a language are neither permanent nor stable arguing that the politics of language is the politics in Central Europe The monograph will prove to be an essential
