paradigm shifts in how gospel driven Christian leaders are thinking about churches and ministry in today's world. The church was never designed to be a fortress for the righteous but a flood of revolutionaries bringing the Good News of the Kingdom to broken lives and broken communities in a broken world. Today millions of Christians are awakening to the holism or wholeness of the gospel call expanding their understanding of church from an institution to a movement. Recognizing the Church's past missteps and re-envisioning its role in modern society, *Missional Moves* will fundamentally alter your understanding of the church and how its mission is lived out. Rob Wegner and Jack Magruder are church founders and Christian thought leaders who will walk you through three distinct categories of changes that today's churches have to understand in order to have the greatest positive impact. The paradigm shift of our missional imagination. The centralized shift of our local church mission field. The decentralized shift of the global family of Christ. If this calling toward movement and transformation is to be realized, it will require some earth-shaking shifts in our concept of the evangelistic mission.

Missional Moves This book provides a plan of action for your church that will empower you to unleash each member on a mission both locally and globally. *Texas Bankers Record*, 1922 *The Part-Time Trader* Ryan Mallory, 2013-10-28
