**Tales from the Realm of the Unreal** Laszlo Gubanyi, 2019-04-01 This is a collection of stories relating to things not commonly talked about the way we die the way we live the way we would like to live It is about forces that make us do unexpected things forces that make things happen around us and forces we are not aware of *Beowulf* Stephan Grundy, 2023-05-30 A fat dreamy child disappointing to his famous berserker father Berki is given the mocking name Beowulf by his fellow youths His love for the maiden Hygd drives him to his first heroic contest in the course of which he is swept up by the wild passions of the sea gods ninth daughter Visually Observing Comets David A. J. Seargent, 2017-03-15 In these days of computers and CCD cameras visual comet observers can still contribute scientifically useful data with the help of this handy reference for use in the field Comets are one of the principal areas for productive pro amateur collaboration in astronomy but finding comets requires a different approach than the observing of more predictable targets Principally directed toward amateur astronomers who prefer visual observing or who are interested in discovering a new comet or visually monitoring the behavior of known comets it includes all the advice needed to thrive as a comet observer After presenting a brief overview of the nature of comets and how we came to the modern understanding of comets this book details the various types of observations that can usefully be carried out at the eyepiece of a telescope Subjects range from how to search for new comets to visually estimating the brightness of comets and the length and orientation of tails in addition to what to look for in comet heads and tails Details are also given of 20 periodic comets predicted to return between the years 2017 and 2027 that are expected to become suitable targets for visual observing in addition to information on a famous comet potentially visible each year and subject to great outbursts of brightness *Civil, Architecture and Environmental Engineering* Jimmy C.M. Kao, Wen-Pei Sung, 2017-04-24 This two volume work contains the papers presented at the 2016 International Conference on Civil Architecture and Environmental Engineering ICCAE 2016 that was held on 4 6 November 2016 in Taipei Taiwan The meeting was organized by China University of Technology and Taiwan Society of Construction Engineers and brought together professors researchers scholars and industrial pioneers from all over the world ICCAE 2016 is an important forum for the presentation of new research developments exchange of ideas and experience and covers the following subject areas Structural Science Architecture Engineering Building Materials Materials Science Construction Equipment Mechanical Science Environmental Science Environmental Engineering Computer Simulation Computer and Electrical Engineering *Comets and How to Observe Them* Richard Schmude, Jr., 2010-09-20 Comets have inspired wonder excitement and even fear ever since they were first observed But they are important members of the solar system that contain material from early in the life of the system held in deep freeze This makes them key in our understanding of the formation and evolution of many Solar System bodies Recent ground and space based observations have changed much in our understanding of comets *Comets and How to Observe Them* gives a summary of our current

knowledge and describes how amateur astronomers can contribute to the body of scientific knowledge of comets This book contains many practical examples of how to construct comet light curves measure how fast a comet's coma expands and determine the rotation period of the nucleus All these examples are illustrated with drawings and photographs Because of their unpredictable nature comets are always interesting and sometime spectacular objects to observe and image The second part of the book therefore takes the reader through the key observing techniques that can be used with commercially available modern observing equipment from basic observations to more scientific measurements Ri Conquers the

Multiverse Reed S Hansen, 2023-06-06 Do we live in a multiverse Of course At birth we come to this earth down a tunnel We return at death through a tunnel God and angels live in other universes from us heaven and hell may each be in their own universe and faith affects events across universes The basis for a great story Follow Ri as he works across multiple universes to maximize his potential At each step he must overcome those unwilling to risk or sacrifice as much as he who feel threatened by his efforts All while working with his loyal dog to win the love of a powerful female who has also attracted the notice of other suitors A little bit of a boy and his dog A little bit love story A bit of adventure And lots of a coming of age story A unique view of our eternal possibilities

**Rattle of Theta Chi** ,1942      **Great authors [selections. (Roy. upper class readers).** ,1887      *What Ever Happened to Baby Jane?* Henry Farrell,2024-09-24 The thriller that became the classic movie starring Bette Davis and Joan Crawford has a deep layer of psychological suspense with three bonus stories Publishers Weekly As seen on the FX series Feud Bette and Joan which chronicles the rivalry between the Hollywood stars during their filming of Whatever Happened to Baby Jane The neighbors all whisper about the two sisters who live on the hill It s Blanche Hudson who lives in that house you know The Blanche Hudson who starred in big Hollywood films all those years ago Such a shame her career ended so early all because of that accident They say it was her sister Jane who did it that she crashed the car because she was drunk They say that s why she looks after Blanche now because of the guilt That s what they say at least Nobody remembers that Jane was once a star herself A fixture of early vaudeville Baby Jane Hudson performed her song and dance routines for adoring crowds until a move to Hollywood thrust her sister into the spotlight Even now years later Jane dreams of reviving her act But as the lines begin to blur between fantasy and reality past resentments become dangerous and the sisters long kept secrets threaten to destroy them Now with three short stories available for the first time in print including What Ever Happened to Cousin Charlotte the basis for the film Hush Hush Sweet Charlotte      **The Sightings Of The Man** Wendigo Studios,2022-12-08 In the darkness of midnight the air of the abandoned city alleyways was filled with the smell of drifting cigar and scented vape smoke Sitting near the full or empty metal trash cans were a group of teenagers all boys some were holding cigarettes at their sides or near their mouths as they took in deep drags on the cancer sticks but the rest of them were not Instead they were either staring into the unknown distance of the alleyways or simply making small talk with their other companions of their group      **The Library Magazine** ,1886      **The Skies of Pern** Anne McCaffrey,2001-04-03 In this triumphant return to Pern Anne McCaffrey takes us on an adventure as surprising and unforgettable as any that has come before It is a time of hope and regret of endings and beginnings The Red Star that celestial curse whose eccentric orbit was responsible for Thread has been shifted to a harmless orbit and the current Threadfall will be the last Technological marvels are changing the face of life on Pern And the dragonriders led by F lessan son of F lar and Lessa and rider of bronze Golanth and Tia rider of green Zaranth must forge a new place for themselves in a world that may no longer need them But change is not easy for everyone There are those who will stop at nothing not even violence to keep Pern and its people pure And now a brand new danger looms from the skies and threatens a catastrophe of unimaginable proportions Once again the world looks to the dragons and their riders to solve the crisis and save the world But now as the friendship of F lessan and Tia begins to bloom into something more unforeseen tragedy strikes a tragedy destined to forever change the future not just of the two young lovers but of every human and dragon on Pern      **SONYA** GAUTAM NARAYANAN,2018-06-04 Sonya is born and raised under strange circumstances and in a world of darkness But she thoroughly enjoys this world and her gloomy ambience until one fateful night That night literally transforms her whole life and destroys everything she possesses leaving her with nothing

but complex phobias and depression Despite that Sonya wants to lead a normal life like everyone else A life comprising of a normal family a few good friends and a good romantic relationship but will her past allow her to have one Sonya grows up in various different situations and meets many good people who seem better than the monsters of her past But are they This story is a coming of age drama that follows Sonya and her life which is coloured by deception dilemma seduction tears abuse and bloodshed

*Rejected By My Mate, Chosen By The Lycan King* Luna Scribe, 2024-07-17 My heart raced as Alaric spoke excitement coursing through my entire body I turned to look at Delilah who was standing next to me Our gazes met and she gave me a cold stare With you all as my witnesses I present to you my Luna Delilah Fairchild Wait What Delilah not Daisy What's going on here Is this some kind of mistake Alaric avoided my gaze as I turned to look at him seeking confirmation if what I heard was indeed true He then walked to the end of the stage where Delilah and I stood reaching out to take Delilah's hands and help her onto the stage I told you not to try too hard sis He has always been mine Do you get it now Delilah whispered to me before she ascended the stage Daisy and Delilah twin sisters shared everything and loved each other deeply until they both developed feelings for the same man Alaric Blackwood the Alpha of the Blackwood pack The happiest day of Daisy's life was when she discovered that Alaric was her mate I will declare you as my Luna after my coronation as the Alpha of the Blackwood Pack Alaric had assured her Filled with anticipation Daisy looked forward to Alaric's coronation when he would publicly declare her as his Luna However the situation took a dramatic turn when in front of all pack members Alaric chose Delilah over Daisy despite their fated bond Unable to bear the rejection Daisy fled and was subsequently attacked by a beast Fortunately she was rescued by the mysterious Draco who showed her nothing but kindness

Fortress of the Fire Child John D. Hartman, 2011-02-18 In Return of the Fire Child T J grudgingly accepted his destiny as the Fire Child protector of the Inner World a civilization located within the core of the Earth Along with his three teen friends Scott Chad and Crash he returned to the land of his birth to battle the evil that threatened not only his world but also the surface world where he had been raised Pursued by a Gorgon and her legion of cats they quickly learned that the Inner World was a land of myth filled with strange creatures and dangerous beasts such as the boys had never imagined In Quest of the Fire Child T J sought to establish himself as the protector of his world and faced new dangers from ruthless men and creatures that wished to destroy him Once again he must call upon his three friends who along with the wolf boy Criton risk their lives attempting to bring peace to a world in turmoil T J learned that his mother was still alive and he set out to rescue her from the brutish Mordraves He also discovered that Scott is his half brother and the bond between the two boys becomes stronger than ever before Now in Fortress of the Fire Child T J and his friends face further danger in the form of Aquatis a ruthless shape shifter who once battled the Fire Child's father and who now seeks revenge against the son Intrigue continues as Mathias the T J's arch enemy reappears and attempts to regain the throne of Stonemass the chief city of the Inner World Further danger ensues as an army of mercenaries march forward to attack the Fortress home of the Fire Child and T J begins to doubt his

own power pitted against such formidable odds      **Shadowman** Shola Adedeji,2025-09-30 In this thrilling origin story one young man finds himself in the middle of a war between powerful gods and tasked with saving the city he holds dear Jack Boniface is having a weird day Considering himself above the voodoo beliefs of his father and community back in New Orleans Jack left his hometown to pursue his intellectual dreams at NYU Normally Jack is confident in his ultrarational approach to the world but this morning he swears he can sense things moving in the shadows and keeps having the strangest daydreams about a hideous monster Below New Orleans lies the Deadside where Baron Samedi rules over a pantheon of Lwa voodoo gods However when Freda among the most beloved Lwas in New Orleans and one of Samedi s wives goes missing the Deadside falls into chaos Freda s absence negates a decade long agreement to protect New Orleans from unnatural violent death resulting in a power struggle that spills over into the human world When an unexpected death brings Jack back to New Orleans he finds a city in violent uproar and a neighborhood under siege by undeniably supernatural forces Turns out Jack was wrong The voodoo world is quite real And if that wasn t enough Jack finds out he is heir to the mantle of Shadowman an entity tasked with maintaining the delicate balance of power between the Deadside and the real world Will Jack be able to control his new powers and right the balance before it s too late Or will the discord in the Deadside destroy New Orleans forever A new Shadowman is rising Jack just hopes it s not from the ashes of his city      Proceedings of the Dorset Natural History and Antiquarian Field Club Dorset Natural History and Archaeological Society,1920 List of members in each volume
