Sudden Moves

Frances R. Johnson, George R. Johnson

Sudden Moves:

Family Micol Ostow, 2011-01-01 I have always been broken I could have died And maybe it would have been better if i had It is a day like any other when seventeen year old Melinda hits the road for San Francisco leaving behind her fractured home life and a constant assault on her self esteem Henry is the handsome charismatic man who comes upon her collapsed on a park bench and offers love a bright new consciousness and best of all a family One that will embrace her and give her love Because family is what Mel has never really had And this new family Henry s family shares everything They share the chores their bodies and their beliefs And if Mel truly wants to belong she will share in everything they do No matter what the family does or how far they go Told in episodic verse Family is a fictionalized exploration of cult dynamics loosely based on the Manson Family murders of 1969 It is an unflinching look at people who are born broken and the lengths they ll go to to make themselves whole again
