

A dark, atmospheric landscape featuring a body of water in the foreground and a range of mountains in the background. The scene is dimly lit, with a soft glow on the water's surface and the mountain peaks. The overall mood is somber and reflective.

Suddenly We Were:

Suddenly We Didn't Want to Die Elton Mackin, 1993-11-01 In the tradition of All Quiet on the Western Front Elton E Mackin's memoirs are a haunting portrayal of war as seen through the eyes of a highly decorated Marine who fought in every Marine Brigade battle from Belleau Wood to the crossing of the Meuse on the eve of the Armistice Praise for Suddenly We Didn't Want to Die This beautifully written and truly gripping war memoir is a significant addition to battlefield literature A minor classic An altogether remarkable job comparable to Crane Remarque and Mailer Deserves the widest possible audience The Cleveland Plain Dealer This immediate eloquent report merits comparison with Thomas Boyd's Marine Corps 1923 classic Through the Wheat Publishers Weekly A real curiosity a highly mannered World War I diary published nearly 80 years after being written and 20 years after its author's death Bright snapshots abound sometimes a young man's lyricism takes over but the horror of war never departs The diary has the faults one expects and the promise one prays for A fine addition to WWI literature Kirkus Reviews A forthright eloquent and powerful memoir certain to become an enduring testament to the drama and tragedy of World War I Threaded with no small measure of poetry this superb memoir is sure to become a classic Great Battles A plain but powerful tale in vivid prose loaded with details that bring the horrors of World War I to life he tells an exceptional new version of the old story of battle transforming a boy into a veteran American Library Association Booklist To the ranks of Erich Maria Remarque E E Cummings John Dos Passos and Siegfried Sassoon we must now add Elton Mackin who in a terse style reminiscent of Hemingway succeeds in making someone unfamiliar with war truly now the frightfulness of the trenches and the greatness of the many men who fought in them Marine Corps Gazette

Blood and Soil Sepp de Giampietro,2019-05-30 The author is a sympathetic narrator and he has told his story with genuine verve and style His South Tyrolean origins and his role in the Brandenburg Division make the book very distinctive Roger Moorhouse The Brandenburgers were Hitler s Special Forces a band of mainly foreign German nationals who used disguise and fluency in other languages to complete daring missions into enemy territory Overshadowed by stories of their Allied equivalents their history has largely been ignored making this memoir all the more extraordinary First published in German in 1984 de Giampietro s highly personal and eloquent memoir is a vivid account of his experiences In astonishing detail he delves into the reality of life in the unit from everyday concerns and politics to training and involvement in Brandenburg missions He details the often foolhardy missions undertaken under the command of Theodor von Hippel including the June 1941 seizure of the Duna bridges in Dunaburg and the attempted capture of the bridge at Bataisk where half of his unit were killed Translated into English for the first time this is a unique insight into a fascinating slice of German wartime history both as an account of the Brandenburgers and within the very particular context of the author s South Tyrolean origins Given the very perilous nature of their missions very few of these specially trained soldiers survived the Second World War and much knowledge of the unit has been lost forever Widely regarded as the predecessor of today s special forces units this fascinating account brings to life the Brandenburger Division and its part in history in vivid and

Mama 'N' 'Em Louis Gardner,2011-06-29 In writing these story s I confess my older siblings inspired and convinced me the need for them to be told The stories are centered on the life of an extended family revealing the past as it was lived Their past lives yet undocumented who became freedmen and formed an early base for progress towards a free society of blacks This family spoke glowingly of their past They surrendered themselves to the cause in World War One They gained some resemblance of advancing freedom but more economic advancement in the Roaring twenties that followed Progress was a struggle World War Two brought a necessity for all people to be involved We Mama N Em s continued to struggle for progress affected by economic conditions the prejudices of our governing bodies schooling opportunities or the lack there of our race conscious leaders and ministers as well as those who opposed our progress Here are stories of one family who endured those experiences As the author I have attempted to relate as much of the life and times as possible and being the sixth child of a larger family the stories become more biological yet the lifetime of Mama N Em is kept **Bagration 1944**
Prit Buttar,2025-03-13 A fascinating history of the great summer offensive launched by the Red Army in 1944 which turned the tide of the war Throughout the war on the Eastern Front there were two consistent trends The Red Army battled to learn how to fight and win while involved in a struggle for its very survival But by 1944 it had a leadership that was able to wield it with lethal effect and with far more effective equipment than before By contrast the Wehrmacht had commenced a slow process of decline after the invasion of the Soviet Union Hitler became increasingly unwilling to delegate decision making to commanders in the field which had been crucial to earlier success The long years of fighting had also taken a heavy toll Thousands of irreplaceable junior officers and NCOs were dead wounded or prisoners Renowned Eastern Front expert Prit Buttar expertly brings these contrasting fortunes to life trends which culminated in the huge battles of Bagration As this masterful study conclusively shows in 1944 the Red Army finally put together a campaign that utterly destroyed the German Army Group Centre The Wehrmacht suffered the loss of over 300 000 men killed wounded or taken prisoner and the Red Army rolled forward across Belarus to the outskirts of Warsaw The end of the war was still many months away and the Germans managed to reconstruct their line on the Eastern Front but final victory for the Soviet Union was now only a matter
