Suffering And The Remedy Of Art:

Suffering and the Remedy of Art Harold Schweizer, 1997-03-20 This book suggests that a listening to suffering may profit from a literary hearing and vice versa It is not only that literature tells of suffering but that suffering may tell us something about the nature of literature

Suffering and the Remedy of Art Harold Schweizer, 1997-03-20 This book suggests that a listening to suffering may profit from a literary hearing and vice versa It is not only that literature tells of suffering but that suffering may tell us something about the nature of literature The author examines works and texts that range from medicine to literature philosophy to photography prose to poetry and from Antigone to W H Auden The book presents individual instances real and literary of physical and mental wounds and diseases of pain and death endured by a little girl in a burn ward a boy wounded in the war in Bosnia a nameless Vietnamese woman Job Antigone as well as a number of mostly lyrical elegists a survivor of the holocaust a wife bereft of her husband a daughter bereft of her father The autonomy of each chapter suggests that experiences of suffering are always incomparable One must in every instance begin again and enter the scene of suffering on its own terms the radically individual nature of suffering is prior or past to any theory or set of generalizations

The Dynamics of Cultural Counterpoint in Asian Studies David Jones, Michele Marion, 2014-02-19 Contributors give contemporary presence to Asian studies through a variety of themes and topics in this multidisciplinary and interdisciplinary volume In an era of globalization scholars trained in Western traditions increasingly see the need to add materials and perspectives that have been lacking in the past Accessibly written and void of jargon this work provides an adaptable entrance to Asia for the integration of topics into courses in the humanities social sciences cultural studies and global studies Guiding principles developed at the East West Center include noting uncommon differences the interplay among Asian societies and traditions the erosion of authenticity and cultural tradition as an Asian phenomenon as well as a Western one and the possibilities Asian concepts offer for conceiving culture outside Asian contexts The work ranges from South to Southeast to East Asia Essays deal with art aesthetics popular culture religion geopolitical realities geography history and contemporary times

Gut Feelings, 2021-10-25 What does healing mean for people who have chronic illnesses without a known cure Gut Feelings shows readers a new way to explore the problem of suffering seeking answers in sociology philosophy and theology Catherine Garrett's autobiographical narrative links physical emotional and spiritual experience with intellectual discovery It is written for people in pain and for all who hope to alleviate suffering As a profound meditation on life with illness this book shows that academic and personal wisdom offered in the form of stories can make healing itself more widely accessible

Theatre and the Israel-Palestine Conflict Azza Harras, 2025-02-20 This book delves into the complex narratives surrounding the ongoing Israeli Palestinian dispute through the unique lens of theatre This ground breaking exploration employs postcolonial theory to analyze a diverse array of theatrical works by Israeli Palestinian and Western playwrights By juxtaposing portrayals of significant events such as the Nakba or the Israeli War of

Independence the Intifadas and the experiences of diaspora and exile Harras provides a nuanced examination of how these events are represented on stage The book reveals the profound impact of language in constructing and contesting historical narratives and underscores theatre's role as a space for cultural critique and self reflection This comprehensive study offers new insights into the power of artistic expression to challenge historical dichotomies and encourage a deeper understanding of this enduring conflict Essential for scholars of Postcolonial Studies Middle East Studies and the Performing Arts this work invites readers to reconsider the conflict through the transformative lens of theatre
