Family Therapy, Concepts and Methods Michael P. Nichols,1984 **Research Methods in Family Therapy** Douglas H. Sprenkle,Fred P. Piercy,2005-06-01 Fully revised and updated the second edition of this widely adopted text and professional reference reflects significant recent changes in the landscape of family therapy research Leading contributors provide the current knowledge needed to design strong qualitative quantitative and mixed method studies analyze the resulting data and translate findings into improved practices and programs Following a consistent format user friendly chapters thoroughly

describe the various methodologies and illustrate their applications with helpful concrete examples Among the ten entirely new chapters in the second edition is an invaluable research primer for beginning graduate students Other new chapters cover action and participatory research methods computer aided qualitative data analysis feminist autoethnography performance methodology task analysis cutting edge statistical models and more

Family Therapy Techniques Jon Carlson, Len Sperry, Judith A. Lewis, 2013-01-11 Family Therapy Techniques briefly reviews the basic theories of marriage and family therapy It then goes into treatment models designed to facilitate the tailoring of therapy to specific populations and the integration of techniques from what often seems like disparate theories Based on the assumption that no single approach is the definitive approach for every situation the book leads students through multiple perspectives In teaching students to integrate and tailor techniques this book asks them to take functional methods and approaches from a variety of theoretical approaches without attempting to reiterate the theoretical issues and research covered in theories courses

101 More Interventions in Family Therapy Thorana S Nelson, Terry S Trepper, 2014-07-16 Inside 101 More Interventions in Family Therapy you ll discover many revolutionary and flexible strategies for family counseling intervention that you can tailor amend and apply in your own practice Designed to appeal to professionals of beginning intermediate or advanced level status 101 More Interventions in Family Therapy caters to an even broader range of ethnic racial gender and class contexts than did its well received predecessor 101 Interventions in Family Therapy You ll also find that this volume encompasses a wider variety of family therapy orientations including strategic behavioral family of origin solution focused and narrative In 101 More Interventions in Family Therapy you ll have at your fingertips a collection of favorite tried and true interventions compiled revised and delivered to you by the professionals who use them the clinicians themselves You ll gain valuable insight into effective and useful assessment strategies therapy that addresses school and career problems questions to use in solution focused therapy questions to use in narrative therapy ideas for resolving intergenerational issues Too often the in the trenches accounts you need to help add variety and a high success rate to your own practice come to you piecemeal in journals or newsletters But in 101 More Interventions in Family Therapy you ll find 101 handy easy to read and fun ways to modify your own therapeutic styles for a truly diverse variety of clientele and settings right where you want them in one volume in one place Even after a few chapters you ll discover 101 reasons to be happy with the prospect of improving your practice Specifically some of the interesting tips and techniques you ll read about include applying theater techniques to family therapy using an alarm clock and rubber band as props in clinical practice with children couples and families utilizing the play baby intervention to coach parents on ways to address their child ren s concerns adopting a Columbo therapy approach one in which the therapist acts confused and asks questions out of a genuine curiosity about the client s experience to take a one down position with clients creating a safe space in therapy and helping clients transfer it into their lives using homework to increase the likelihood of producing desired therapeutic outcomes
