*Myth of Motivation. New Ways to Reach Goals* Simone Janson, 2025-03-19 Also in the 7th revised and improved edition published by a government funded publisher involved in EU programs and a partner of the Federal Ministry of Education you receive the concentrated expertise of renowned experts overview in the book preview embedded in an integrated knowledge system with premium content and 75% advantage At the same time you do good and support sustainable projects Because everyone probably knows the feeling of being unmotivated But what helps to get motivated again and get into the flow And how can you also pull others along with you After all there are motivation coaches and motivation strategies like a dime a dozen but in fact the classic concept of motivation has long since become obsolete

because it is hardly possible to convince people of something they don't really want themselves. Intrinsic motivation is the magic word because unlike extrinsic motivation the real art is to inspire rather than motivate. This book shows how to do this. With its integrated knowledge system and Info on Demand concept the publisher not only participated in an EU funded program but was also awarded the Global Business Award as Publisher of the Year. Therefore by purchasing this book you are also doing good. The publisher is financially and personally involved in socially relevant projects such as tree planting campaigns, the establishment of scholarships, sustainable innovations and many other ideas. The goal of providing you with the best possible content on topics such as career finance management, recruiting or psychology goes far beyond the static nature of traditional books. The interactive book not only imparts expert knowledge but also allows you to ask individual questions and receive personal advice. In doing so, expertise and technical innovation go hand in hand as we take the responsibility of delivering well researched and reliable content as well as the trust you place in us very seriously. Therefore all texts are written by experts in their field. Only for better accessibility of information do we rely on AI supported data analysis which assists you in your search for knowledge. You also gain extensive premium services. Each book includes detailed explanations and examples making it easier for you to successfully use the consultation services freely available only to book buyers. Additionally you can download e courses, work with workbooks or engage with an active community. This way you gain valuable resources that enhance your knowledge, stimulate creativity and make your personal and professional goals achievable and successes tangible. That's why as part of the reader community you have the unique opportunity to make your journey to personal success even more unforgettable with travel deals of up to 75% off. Because we know that true success is not just a matter of the mind but is primarily the result of personal impressions and experiences. Publisher and editor Simone Janson is also a bestselling author and one of the 10 most important German bloggers according to the Blogger Relevance Index. ### **Recruiting Knowledge for Job Seekers**

Simone Janson, 2025-05-07. Also in the 7th revised and improved edition published by a government funded publisher involved in EU programs and a partner of the Federal Ministry of Education, you receive the concentrated expertise of renowned experts. Overview in the book preview embedded in an integrated knowledge system with premium content and 75% advantage. At the same time you do good and support sustainable projects. Because what do personnel managers pay attention to when selecting applicants? How exactly do common selection procedures in recruiting look like? Is it worthwhile to apply unsolicited? And how seriously do HR professionals take data protection? Applicants regularly have these and many other questions. This book helps to answer them and thus helps applicants to present themselves optimally as a personal brand to potential employers during the application process and to gain experience. If you then know what HR professionals really look for in a job interview, there's almost nothing standing in the way of the recruitment process. With its integrated knowledge

system and Info on Demand concept the publisher not only participated in an EU funded program but was also awarded the Global Business Award as Publisher of the Year Therefore by purchasing this book you are also doing good The publisher is financially and personally involved in socially relevant projects such as tree planting campaigns the establishment of scholarships sustainable innovations and many other ideas The goal of providing you with the best possible content on topics such as career finance management recruiting or psychology goes far beyond the static nature of traditional books The interactive book not only imparts expert knowledge but also allows you to ask individual questions and receive personal advice In doing so expertise and technical innovation go hand in hand as we take the responsibility of delivering well researched and reliable content as well as the trust you place in us very seriously Therefore all texts are written by experts in their field Only for better accessibility of information do we rely on AI supported data analysis which assists you in your search for knowledge You also gain extensive premium services Each book includes detailed explanations and examples making it easier for you to successfully use the consultation services freeky available only to book buyers Additionally you can download e courses work with workbooks or engage with an active community This way you gain valuable resources that enhance your knowledge stimulate creativity and make your personal and professional goals achievable and successes tangible That s why as part of the reader community you have the unique opportunity to make your journey to personal success even more unforgettable with travel deals of up to 75% off Because we know that true success is not just a matter of the mind but is primarily the result of personal impressions and experiences Publisher and editor Simone Janson is also a bestselling author and one of the 10 most important German bloggers according to the Blogger Relevance Index Additionally she has been a columnist and author for renowned media such as WELT Wirtschaftswoche and ZEIT you can learn more about her on Wikipedia

*Better Leading Encouraging Coaching* Simone Janson, 2025-03-19

Also in the 7th revised and improved edition published by a government funded publisher involved in EU programs and a partner of the Federal Ministry of Education, you receive the concentrated expertise of renowned experts overview in the book preview embedded in an integrated knowledge system with premium content and 75% advantage. At the same time you do good and support sustainable projects. Because being a manager means above all personnel management, employee motivation and personnel development and a lot of psychology. The boss acts in a certain sense in his leadership role like a coach who always has an open ear for his employees but also guides them. Inspiring instead of motivating so to speak. Accordingly, for example, the appraisal interviews that everyone fears quickly become a balancing act of cooperation and competence wrangling. All too often a healthy feedback culture is missing in which disputes are no problem. But this is the only way to create productive, fruitful teamwork. This book shows what is important. With its integrated knowledge system and Info on Demand concept, the publisher not only participated in an EU funded program but was also awarded the Global Business Award as Publisher of the Year. Therefore, by purchasing this book, you are also doing good. The publisher is financially and personally involved in socially relevant projects such as tree planting campaigns, the establishment of scholarships, sustainable innovations and many other ideas. The goal of providing you with the best possible content on topics such as career, finance, management, recruiting or psychology goes far beyond the static nature of traditional books. The interactive book not only imparts expert knowledge but also allows you to ask individual questions and receive personal advice. ## **Techniques To Improve Your Writing Skills Communication Series Introduction**

In today's digital age, the availability of Techniques To Improve Your Writing Skills Communication Series books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Techniques To Improve Your Writing Skills Communication Series books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Techniques To Improve Your Writing Skills Communication Series books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Techniques To Improve Your Writing Skills Communication Series versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Techniques To Improve Your Writing Skills Communication Series books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Techniques To Improve Your Writing Skills Communication Series books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Techniques To Improve Your Writing Skills Communication Series books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer

academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Techniques To Improve Your Writing Skills Communication Series books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Techniques To Improve Your Writing Skills Communication Series books and manuals for download and embark on your journey of knowledge?
