Tubb,2011-09-29 Britain years after the Debacle and a new London has risen phoenix like from near the ashes Though Londoners have retained their physical purity through the ruthless destruction of generations of mutants man is no longer the same and society crueller Cynicism and a whole hearted recognition of the absolute power of money has replaced humanism and a belief in reincarnation has replaced religion and the old moral code of doing unto others The individual can exist has a right to exist only if he is selfish *Death is a Dream* is the story of three survivors from the twentieth century who awake from suspended animation in The Cradle to find themselves unemployable and unfit to live by virtue of their commitments to out dated ideals As well as being an investigation of the form society may take after an atomic war it is by association an indictment of society as it is now The Gholan Gate E.C. Tubb,2011-09-29 DOORWAY TO UTOPIA Beyond that curtain of darkness lies paradise That was the promise of the doorway known as the Gholan Gate a doorway so ancient that its makers had vanished millions of years before the first Earthly life crawled out of the primeval oceans It was still functioning in the possession of its discoverers To go through it was to enter a universe where all your dreams came true where your every wish was obeyed every fantasy became reality where you could play God to your heart's content But there was a price for once beyond the Gholan Gate you would live only in hopes for a second visit and a third And to get the right for that return to paradise a man would sell his soul his people his world Cap Kennedy entered THE GHOLAN GATE once and the result became cosmic history **The**
