compelling memoir of former Israeli prime minister Ehud Olmert The child of parents who were members of the Irgun the paramilitary group that fought for the establishment of Israel Olmert became the youngest member of the Israeli Knesset in 1973 serving in the right wing Likud party He rose quickly in the party serving in national government before being elected mayor of Jerusalem in 1993 As mayor he overcame decades of municipal malaise inertia and waves of terror attacks to bring huge improvements in the city s infrastructure education and welfare Although a child of the Israeli right it was during his mayoralty that he realized the inevitability of compromise and the need to divide the city in any future peace agreement with the Palestinians Olmert rejoined the national government in 2003 as a top aide to then Prime Minister Ariel Sharon After Sharon suffered a debilitating stroke in 2006 Olmert took over as acting prime minister then led Sharon s new centrist party Kadima to victory in elections Heading a coalition government Olmert led Israel through the war with Lebanon in July 2006 and approved the dramatic strike on Syria s nuclear reactor the following year From late 2006 through 2008 Olmert engaged in some three dozen negotiations with Palestinian leader Mahmoud Abbas The talks Olmert says came within a hair s breadth of reaching a comprehensive peace deal At the same time Olmert was fighting allegations that he had illegally accepted large sums of money from a well connected American businessman He was acquitted of all but a minor charge against him but in 2014 he was convicted on charges of taking 15 000 in bribes involving the construction of an industrial park while he served as Minister of Industry and Trade He served 16 months in prison using his time to write these memoirs Searching for Peace offers a riveting political story and an unparalleled window into Israeli history peacemaking politics U S Israel relations and the future of the Middle East

Seizing Jerusalem Alona Nitzan-Shifan,2017-05-30 After seizing Jerusalem s eastern precincts from Jordan at the conclusion of the Six Day War in 1967 Israel unilaterally unified the city and plunged into an ambitious building program eager to transform the very meaning of one of the world s most emotionally charged urban spaces The goal was as simple as it was controversial to both Judaize and modernize Jerusalem Seizing Jerusalem chronicles how numerous disciplines including architecture landscape design and urban planning as well as everyone from municipal politicians to state bureaucrats from Israeli born architects to international luminaries such as Louis Kahn Buckminster Fuller and Bruno Zevi competed to create Jerusalem s new image This decade long competition happened with the Palestinian residents still living in the city even as the new image was inspired by the city s Arab legacy The politics of space in the Holy City still contested today were shaped in this post 1967 decade not only by the legacy of the war and the politics of dispossession but curiously also by emerging trends in postwar architectural culture Drawing on previously unexamined archival documents and in depth interviews with architects

planners and politicians Alona Nitzan Shifan analyzes the cultural politics of the Israeli state and in particular of Jerusalem's influential mayor Teddy Kollek whose efforts to legitimate Israeli rule over Jerusalem provided architects a unique real world laboratory to explore the possibilities and limits of modernist design as built form as well as political and social action Seizing Jerusalem reveals architecture as an active agent in the formation of urban and national identity and demonstrates how contemporary debates about Zionism and the crisis within the discipline of architecture over postwar modernism affected Jerusalem's built environment in ways that continue to resonate today *From McComb to Jerusalem - The Life Story of Irene (Shaloma) Levi* Petra van der Zande, 2011-02-18 This is the life story of Irene Poe Duce Levi Because of the War of Independence Irene cannot get a visa to enter the new born State of Israel Via a round about way Irene arrives in Israel in 1948 She works amongst Arabs and Jews Christians and Jewish believers always building bridges between the two peoples Irene meets and works alongside many well known people in the land of Israel Even today at age 91 Irene continues to serve God in her beloved Jerusalem This is her authorised biography *Rights-Based Community Practice and Academic Activism in a Turbulent World* Jim Torczyner, 2020-12-20 Drawing on a theoretical model of coexistence premised on universality reciprocity and inclusion this book focusses on the development of academic social work programs and cross border partnerships to promote social justice and peace in Israel Palestine and Jordan Using the model of rights based practice initiated by Professor Torczyner in Montreal and brought to the Middle East in the 1990s it shows how the creation and brokering of cross border partnerships added the concept of rights based practice to the lexicon of these countries established groundbreaking advocacy centers in the hearts of disadvantaged communities developed academic social work programs and initiated important policy changes in each country to reduce inequality and promote social inclusion Showing how this evolving method of rights based practice rooted in theories of coexistence was uniquely adapted in different contexts and cultures while negotiating complex volatile political environments it illustrates how long term peace can be advanced when like minded people irrespective of nationality or religion find ways to promote common interest and a regional culture where all people share the same rights This book will be of interest to all social work students and practitioners interested in community organization and rights based practice as well as scholars policy makers and practitioners of international development political science peace studies Jewish studies Middle Eastern studies reconciliation and conflict resolution *The Eichmann Trial Reconsidered* Rebecca Wittmann, 2021-10-01 The Eichmann Trial Reconsidered brings together leading authorities in a transnational international and supranational study of Adolf Eichmann who was captured by the Israelis in Argentina and tried in Jerusalem in 1961 The essays in this important new collection span the disciplines of history film studies political science sociology psychology and law Contributing scholars adopt a wide historical lens pushing outwards in time and space to examine the historical and legal influence that Adolf Eichmann and his trial held for Israel West Germany and the Middle East In addition to taking up the question of what drove

Eichmann contributors explore the motivation of prosecutors lawyers diplomats and neighbouring countries before during and after the trial ended The Eichmann Trial Reconsidered puts Eichmann at the centre of an exploration of German versus Israeli jurisprudence national Israeli identities and politics and the conflict between German Israeli and Arab states

Israel and Palestine - Out of the Ashes Marc H. Ellis, 2002-10-20 As the world watches with horror the unfolding events in Palestine and Israel Marc Ellis a Jewish American scholar examines what he sees as a crisis point in Jewish identity In this book Ellis offers a vision of Judaism that testifies to an ethical life in our era based on the principles of justice and community upon which the Jewish faith was founded Only by addressing the way in which those original principles are being squandered by a militarised state of Israel and a complicit Jewish establishment in America he argues can there be hope for peace in the future Israel and Palestine Out of the Ashes is a deeply personal philosophical account of contemporary Jewish identity Looking beyond the legacy of the Holocaust and beyond the portrayal of Jews as either victims or persecutors Ellis forges a new vision of what it means to be Jewish today
