Theodore Roosevelt, Rough Rider -- President Ruth Young White,Norris Sickles,19??

Last Charge of the Rough Rider William Elliott Hazelgrove,William Hazelgrove,2023-06-01 There have been many books on Theodore Roosevelt but there are none that solely focus on the last years of his life Racked by rheumatism a ticking embolism pathogens in his blood a bad leg from an accident and a bullet in his chest from an assassination attempt in the last two years of his life from April 1917 to January 6 1919 he went from the great

disappointment of being denied his own regiment in World War I leading a suicide mission of Rough Riders against the Germans to the devastating news that his son Quentin had been shot down and killed over France Suffering from grief and guilt marginalized by world events the great glow that had been his life was now but a dimming lantern But TR's final years were productive ones as well he churned out several instant books that promoted U S entry into the Great War and he was making plans for another run at the Presidency in 1920 at the time of his death Indeed his political influence was so great that his opposition to the policies of Woodrow Wilson helped the Republican Party take back the Congress in 1918 However as William Hazelgrove points out in this book it was Roosevelt's quest for the vigorous life that ironically may have led to his early demise at the age of sixty The Old Lion is dead TR's son Archie cabled his brother on January 6 1919 and so too ended a historic era in American life and politics Theodore Roosevelt and the Arizona Rough Riders, 1898 to 1919 Marty F. Feess, 1999 *Yesterday's Faces* Robert Sampson, 1983 **Teddy Roosevelt, Rough Rider** Louis Sabin, 1986 A biography of Theodore Roosevelt who at the age of forty two was the youngest man to become President of the United States The Rough Riders Theodore Roosevelt, 1899 Based on a pocket diary from the Spanish American War this tough as nails 1899 memoir abounds in patriotic valor and launched the future President into the American consciousness American West Karen R. Jones, 2009-03-21 The American West used to be a story of gunfights glory wagon trails and linear progress Historians such as Frederick Jackson Turner and Hollywood movies such as Stagecoach 1939 and Shane 1953 cast the trans Mississippi region as a frontier of epic proportions where savagery met civilization and boys became men During the late 1980s this old way of seeing the West came under heavy fire Scholars such as Patricia Nelson Limerick and Richard White forged a fresh story of the region a new vision of the West based around the conquest of peoples and landscapes This book explores the bipolar world of Turner's Old West and Limerick's New West and reveals the values and ambiguities associated with both historical traditions Sections on Lewis and Clark the frontier and the cowboy sit alongside work on Indian genocide and women's trail diaries Images of the region as seen through the arcade Western Hollywood film and Disney theme parks confirm the West as a symbolic and contested landscape Tapping into popular fascination with the Cowboy Hollywood movies the Indian Wars and Custer's Last Stand the authors show the reader how to deconstruct the imagery and reality surrounding Western history Key Features Uses popular subjects the Cowboy Hollywood westerns the Indian Wars and Custer's Last Stand to enliven the text Includes 13 b w illustrations Interdisciplinary approach covers film literature art and historical artefacts **Teddy Roosevelt at San Juan** Peggy Samuels, Harold Samuels, 1997 Termed a Southern gothic musical Ghost Brothers of Darkland County was scripted by novelist Stephen King with the music coming from maverick heartland rocker John Mellencamp a collaboration a bit left field for both artists This set includes Mellencamp's songs interspersed with key dialogue from King's libretto and while the story might be too complex essentially it's the tale of two brothers involved in a murder suicide whose ghosts haunt an isolated cabin and whose tragic deeds and consequent fate

seems about to be repeated by their living nephews to be truly appreciated in single disc form like this so it's Mellencamp's songs sung by the likes of Elvis Costello Neko Case Sheryl Crow Dave and Phil Alvin real life brothers whose estrangement with each other ended while working on this project Taj Mahal Ryan Bingham Clyde Mulroney Rosanne Cash and Kris Kristofferson Mellencamp only sings on one song here the summing it up last track Truth that are really left to carry things They certainly work as songs and may well be among the best Mellencamp has ever written while the overall sound of the whole musical suite crafted by T Bone Burnett is kind of like a sparse and shined up version of a late period Tom Waits album due in part to the presence of multi instrumentalist Marc Ribot on most of the tracks and the tight spare rhythm section of Jay Bellerose on drums and David Piltch on bass The performances Elvis Costello sounds gleeful and sinful on That's Me identity and fulfillment are key themes of Ghost Brothers of Darkland Country that and history's tendency to repeat itself Neko Case is sassy and sure on That's Who I Am Kris Kristofferson sounds old wise and weary on How Many Days Taj Mahal rages through Tear This Cabin Down and Sheryl Crow is confident and cocky on Jukin while Rosanne Cash turns in a delicately worn and wise reading of You Don't Know Me and for a story that spans decades and generations it's obvious that everyone is singing about who they are who they ought to be and who they ended up becoming It's difficult to say how good this musical is just from the songs and pieces of dialogue presented here but the songs have a weary inevitable flow to them as if fate forced them into a dark room with little light or air or chance of redemption Redemption comes with acceptance of who one is the songs and story here seem to say and only then can the real truth about what has happened to anyone really be revealed It's a ghost story after all Steve Leggett
