**Sexuality in Adolescence and Emerging Adulthood** Raymond Montemayor, 2018-10-19 Written in an engaging question and answer format this accessible text synthesizes contemporary empirical research to provide a panoramic view of adolescent sexual development and behavior The book examines sexuality as part of normative growth and development in addition to addressing traditional problem areas such as sexual risk taking Candid personal stories bring the theory and research to life Topics include the precursors of adolescent sexuality in childhood biological aspects of adolescent sexuality including puberty and the adolescent brain the influences of parents peers and the media and gender and racial ethnic differences in attitudes and behavior Coverage also encompasses romantic relationships the experiences of sexual and gender minority youth sexually transmitted infections contraception pregnancy and teen parenthood cross cultural and international research and approaches to sex education Pedagogical Features Headings written as questions throughout the chapters for example How common is hooking up and Is coming out to parents always a good thing In Their Own Words boxes with firsthand accounts from adolescents and young adults Focus on Research sidebars that discuss research methods challenges and controversies in the field End of chapter summaries and suggested readings Winner First Place American Journal of Nursing Book of the Year Award Child Health Category

**Handbook of Child and Adolescent Sexuality** Linda M. Williams, 2013-01-28 *Handbook of Child and Adolescent Sexuality* Daniel S. Bromberg, William T. O'Donohue, 2013-01-28 Adolescent and child sexuality is studied by developmental psychologists from a research perspective and is of interest to forensic psychologists dealing with abuse and custody issues as well as rape cases In many cases it is of interest whether the child in question was sexually active to understand the extent to which an underage minor might have voluntarily participated in sexual activity as opposed to having been coerced Previously researchers interested in the applications of their research needed to look to separate books and forensic specialists needed to look to development books to find the information they may have needed This handbook provides both audiences with the related information they need Encompasses normative behavior and clinical disorders in one source Applies the information on development and behavior to forensic issues Provides treatment information on sexual disorders in children Provides information on children and adolescents in one volume

**Sexual Teens, Sexual Media** Jane D. Brown, Jeanne R. Steele, Kim Walsh-Childers, 2001-11-01 This collection explores the sexual content of U S mass media and its influence in the lives of adolescents Contributors address the topic of sexuality broadly including evidence not only about physical sex acts but also about the role the media play in the development of gender roles standards of beauty courtship and

relationship norms Chapters included here present new perspectives on what teens are paying attention to in the media and offer insight into how teens are understanding and applying what the media present about sex and sexuality Employing various methodological approaches the studies also represent a diversity of adolescent audiences and deal with a wide variety of media content ranging from teens favorite TV programs to magazines movies music and teen girls Web pages Taken as a whole this volume highlights the significant roles the media play in adolescents sexual lives Sexual Teens Sexual Media contributes important evidence to the ongoing debate over media effects making it essential reading for scholars and students in media studies as well as social and developmental psychology Understanding Teenage Sexuality Steven Emery-Wright,2009 *Handbook of Child and Adolescent Sexuality* Kate Mills Drury,William M. Bukowski,2013-01-28

**Adolescent Sexual Socialization and Teen Magazines** Suchi P. Joshi,2012 The majority of scientific research on teen magazines has been conducted from a single country perspective even though the experience of sex and sexuality is known to vary by country Moreover no research to date has analyzed the sexual content of teen magazines and directly linked it to how young people think or feel about sex In response to these shortcomings this book analyzes the topics of sexual desire sexual danger virginity loss pregnancy and the hook up culture in the most popular teen magazines of the United States and the Netherlands Results are then linked to US and Dutch young people s magazine reading and fear of sex and further investigated by religiosity While this book primarily addresses researchers of adolescent sexual socialization it also offers practical insights to parents health educators government officials and magazine editors ultimately revealing that adolescent sex as a forbidden fruit is a relative term contingent upon culture **Handbook of Child and Adolescent Sexuality** J.

Dennis Fortenberry,2013-01-28 **Female Adolescent Sexuality in the United States, 1850-1965** Ann Kordas,2019-04-08 This book examines the history of female adolescent sexuality in the United States from the middle of the nineteenth century until the beginning of the 1960s The book analyzes both adult perceptions of female adolescent sexuality and the experiences of female adolescents themselves It examines what girls knew or thought they knew about sex at different points in time girls sexual experiences girls ideas about love and romance female adolescent beauty culture and the influence of popular culture on female adolescent sexuality It also examines the ways in which adults responded to female adolescent sexuality and the efforts of adults to either control or encourage girls interest in sexual topics dating girls participation in beauty culture and their education on sexual topics The book describes a trajectory along which female adolescents went from being perceived as inherently innocent and essentially asexual to being regarded and feared as primarily sexual in nature **Adolescent Sexuality, An Issue of Pediatric Clinics of North America** Marianne E. Felice,2017-04-28 Dr Felice has put together clinical reviews articles that cover a broad scope of clinical issues that are common among sexually active adolescent patients Some issues addressed include HPV Vaccine Update Treating Dysmenorrhea Menorrhagia New STD Guidelines Emergency Contraception Talking to Parents about Teen Sexuality and

Long acting Reversible Contraception Most pediatricians feel poorly equipped to address these problems They are also complicated issues that give the average pediatric clinician pause and often take more time than usually scheduled in a busy practice By providing practical updated information on these clinical problems pediatric practitioners can become more comfortable in dealing with these topics Although many clinicians are not involved with adolescents in the juvenile justice system Dr Felice included an article on this so that pediatricians can be more educated and sensitive to the needs of these young people An article on human trafficking of teens is included with the hope bringing awareness of this issue Articles in this issue were selected specifically because they directly affect primary pediatric care For example an article is included on how to help young people avoid being victims of partner violence rather than an article on sexual abuse and rape because adolescents would be treated in the emergency room and not the pediatrician's office

**Sexual Cultures and the Construction of Adolescent Identities** Janice Irvine, 2009 Adolescent sexual awakening is reevaluated in terms of social and cultural influences

**Handbook of Child and Adolescent Sexuality** Tania B. Huedo-Medina, Estrellita Ballester, Blair T. Johnson, 2013-01-28

**Desire and Consent in Representations of Adolescent Sexuality with Adults** Maureen Turim, Diane Waldman, 2023-10-02 This book presents an innovative comparative view of how the issue of adolescent sexuality and consent is differently treated in various media Analyzing teenage sexual encounters with adults across a variety of media including films television novels and podcasts the volume takes a positive stance on the expression of teenage sexuality while remaining sensitive to the power of adults to abuse and manipulate The anthology treats these representations as negotiations between conflicting forces desire sexual self knowledge unequal power and the law the latter both actual legal statutes and internalized law in the philosophical and psychoanalytic sense Questions of unequal power inherent in such relations are theorized The authors examine variations of this configuration of sexual relations between teenagers and adults from different perspectives to consider how various forms of expression rework it formally These essays are attuned to both nuances of presentation and contexts of reception and they consider how aesthetics play a role Contributing to the general debate about the ways that societies construct and regulate adolescent sexuality this book will be of great interest to scholars and students of media studies cultural studies film studies television studies sociology and gender studies
