Teen Television Sharon Marie Ross, Louisa Ellen Stein, 2008-04-05 This essay collection explores the phenomenon of teen TV in the United States analyzing the meanings and manifestations of this category of programming from a variety of perspectives Part One views teen television through an industrial perspective examining how networks such as WB UPN The CW and The N have created a unique economic framework based on demographic niches and teen focused narrowcasting Part Two focuses on popular teen programs from a cultural context evaluating how such programs reflect and at times stretch the envelope of the cultural contexts in which they are created Finally Part Three explores the cultures of reception including the realms of teen consumerism fan discourse and unofficial production through which teens and consumers of teen media have become authors of the teenage experience in their own right

Teen TV Florian Krauß, Moritz Stock, 2025-05-13 Teen TV is booming Current youth series on streaming platforms are a clear indication of this but have so far received little attention in German language media studies This anthology provides a fundamental introduction to serial teen TV and takes a look at central case studies from *13 Reasons Why* to *DRUCK* the German adaptation of the Norwegian transmedia youth drama *SKAM* In addition to the content and aesthetics of serial teen narratives it looks at their reception and production contexts

Queer Youth and Media Cultures Christopher Pullen, 2014-10-05 This collection explores the representation and performance of queer youth in media cultures primarily examining TV film and online new media Specific themes of investigation include the context of queer youth suicide and educational strategies to avert this within online new media and the significance of coming out videos produced online

The Handbook of Gender, Sex, and Media Karen Ross, 2013-12-04 *The Handbook of Gender Sex and Media* offers original insights into the complex set of relations which exist between gender sex sexualities and the media and in doing so showcases new research at the forefront of media and communication practice and theory Brings together a collection of new cutting edge research exploring a number of different facets of the broad relationship between gender and media Moves beyond associating gender with man woman and instead considers the relationship between the construction of gender

norms biological sex and the mediation of sex and sexuality Offers genuinely new insights into the complicated and complex set of relations which exist between gender sex sexualities and the media Essay topics range from the continuing sexism of TV advertising to ways in which the internet is facilitating the re invention of our sexual selves Affective Sexual Pedagogies in Film and Television Kyra Clarke, 2017-02-17 Popular film and television hold valuable potential for learning about sex and sexuality beyond the information based model of sex education currently in schools This book argues that the representation of complicated or messy relationships in these popular cultural forms makes them potent as affective pedagogical moments It endeavours to develop new sexual literacies by contemplating how pedagogical moments that is fleeting moments which disrupt expectations or create discomfort might enrich the available discourses of sexuality and gender especially those available to adolescents In Part One Clarke critiques the heteronormative discourses of sex education that produce youth in particularly gendered ways noting that rationality is often expected to govern experiences that are embodied and arguably inherently incoherent Part Two explores public intimacy contemplating the often overlapping and confused boundaries between public and private **Fandom, Second Edition** Jonathan Gray, Cornel Sandvoss, C. Millennials Killed the Video Star Amanda Ann Klein, 2021-01-04 Between 1995 and 2000 the number of music videos airing on MTV dropped by 36 percent As an alternative to the twenty four hour video jukebox the channel had offered during its early years MTV created an original cycle of scripted reality shows including Laguna Beach The Hills The City Catfish and Jersey Shore which were aimed at predominantly white youth audiences In Millennials Killed the Video Star Amanda Ann Klein examines the historical cultural and industrial factors leading to MTV's shift away from music videos to reality programming in the early 2000s and 2010s Drawing on interviews with industry workers from programs such as The Real World and Teen Mom Klein demonstrates how MTV generated a coherent discourse on youth and identity by intentionally leveraging stereotypes about race ethnicity gender and class Klein explores how this production cycle which showcased a variety of ways of being in the world has played a role in identity construction in contemporary youth culture ultimately shaping the ways in which Millennial audiences of the 2000s thought about talked about and embraced a variety of identities

Music, Space and Place Andy Bennett, 2017-10-03 Music Space and Place examines the urban and rural spaces in which music is experienced produced and consumed The editors of this collection have brought together new and exciting perspectives by international researchers and scholars working in the field of popular music studies Underpinning all of the contributions is the recognition that musical processes take place within a particular space and place where these processes are shaped both by specific musical practices and by the pressures and dynamics of political and economic circumstances Important discourses are explored concerning national culture and identity as well as how identity is constructed through the exchanges that occur between displaced peoples of the world's many diasporas Music helps to articulate a shared sense of community among these dispersed people carving out spaces of freedom which are integral to personal and group consciousness A specific focal point is the rap and hip hop music that has

contributed towards a particular sense of identity as indigenous resistance vernaculars for otherwise socially marginalized minorities in Cuba France Italy New Zealand and South Africa New research is also presented on the authorial presence in production within the domain of the commercially driven Anglo American music industry The issue of authorship and creativity is tackled alongside matters relating to the production of musical texts themselves and demonstrates the gender politics in pop Underlying Music Space and Place is the question of how the disciplines informing popular music studies sociology musicology cultural studies media studies and feminism have developed within a changing intellectual climate The book therefore covers a wide range of subject matter in relation to space and place including community and identity gender race vernaculars power performance and production

British Youth Television Faye Woods, 2016-09-09 In this book Faye Woods explores the raucous cheeky intimate voice of British youth television This is the first study of a complete television system targeting teens and twenty somethings chronicling a period of significant industrial change in the early 21st century British Youth Television offers a snapshot of the complexities of contemporary television from a British standpoint youth focused programming that blossomed in the commercial expansion of the digital era yet indelibly shaped by public service broadcasting and now finding its feet on proliferating platforms Considering BBC Three My Mad Fat Diary The Inbetweeners Our War and Made in Chelsea amongst others Woods identifies a television that is defiantly British yet also has a complex transatlantic relationship with US teen TV This book creates a space for British voices in an academic and cultural landscape dominated by the American teenager

The Lure of the Vampire Milly Williamson, 2005 This title explores the enduring myth of Dracula and vampires and just why it has remained so popular for so long

Young People, Popular Culture and Education Chris Richards, 2011-02-17

Post-feminist Impasses in Popular Heroine Television Alison Horbury, 2015-07-28 Alison Horbury investigates the reprisal of the myth of Persephone a mother daughter plot of separation and initiation in post feminist television cultures where she argues it functions as a symptom expressing a complex around the question of sexual difference what Lacan calls sexuation where this question has been otherwise foreclosed

The Smallville Chronicles Lincoln Geraghty, 2011-09-09 In 2001 yet another adaptation of the Superman comic book came to television Lasting 10 seasons Smallville took the traditional Superman story and turned it into an American teen action drama about Clark Kent s life at high school before he donned the famous blue tights and red cape Instead of depicting Superman s clashes with criminals in Metropolis the show focused on how Clark first developed his powers and learned to cope with girls school and teenage angst Although largely overlooked by critics and derided by Superman fans who regarded it as too far a departure from the comic book canon Smallville nonetheless endeared a whole new generation of viewers The setting style narrative and cast of fresh faced actors suggested that the Superman story was not only ready for a makeover but also still relevant for a post 9 11 American audience In The Smallville Chronicles Critical Essays on the Television Series scholars examine the multiple narratives of the Smallville universe Addressing issues related to gender sexuality national

identity myth history and politics these essays explore how the series uses the Superman story to comment on contemporary social issues Additional essays investigate the complex relationship the show's audience has with the characters through blogging fan fiction visits to filming locations and the creation of websites As the first book length study specifically focused on the Smallville television series this collection is an excellent text for studies in science fiction fandom and teen television scholarship and it will also have general appeal to fans of the show

Investigating Stranger Things Tracey Mollet, Lindsey Scott, 2021-05-18 This edited collection explores the narrative genre nostalgia and fandoms of the phenomenally successful Netflix original series *Stranger Things* The book brings together scholars in the fields of media humanities communications and cultural studies to consider the various ways in which the Duffer Brothers show both challenges and confirms pre-conceived notions of cult media Through its three sections on texts contexts and receptions the collection examines all aspects of the series presence in popular culture engaging in debates surrounding cult horror teen drama fan practices and contemporary anxieties in the era of Trump Its chapters seek to address relatively neglected areas of scholarship in the realm of cult media such as set design fashion and the immersive Secret Cinema Experience These discussions also serve to demonstrate how cult texts are facilitated by the new age of television where notions of medium specificity are fundamentally transformed and streaming platforms open up shows to extensive analysis in the now mainstream world of cult entertainment

Cult Media Jonathan Wroot, Andy Willis, 2017-10-27 This volume brings together writing on the topic of home media and in particular releases described as appealing to cult fans and audiences Despite popular assumptions to the contrary the distributors of physical media maintain a vivid presence in the digital age Perhaps more so than any other category of film or media this is especially the case with titles considered cult and its related processes of distribution and exhibition The chapters in this collection chart such uses and definitions of cult ranging from home media releases to promotional events film screenings file sharing and the exploitation of established fan communities This book will be of interest to the ever growing number of academics and research students that are specializing in studies of cult cinema and fan practices as well as professionals filmmakers journalists promoters who are familiar with these types of films

Postfeminism and Contemporary Vampire Romance Lea Gerhards, 2022-05-19 In this book Lea Gerhards traces connections between three recent vampire romance series the *Twilight* film series 2008 2012 The *Vampire Diaries* 2009 2017 and *True Blood* 2008 2014 exploring their tremendous discursive and ideological power in order to understand the cultural politics of these extremely popular texts She uses contemporary vampire romance to examine postfeminist ideologies and discuss gender sexuality subjectivity agency and the body Discussing a range of conflicting meanings contained in the narratives Gerhards critically looks genre's engagement with everyday sexism and violence against women power relations in heterosexual relationships sexual autonomy and pleasure self empowerment and self surveillance She asks Why are these genre texts so popular right now what specific desires issues and fears are addressed and negotiated by them and what kinds of pleasures do they offer

Fashion on Television Helen Warner, 2014-04-10 Fashion on Television provides a comprehensive critical examination of the intersection between fashion television and celebrity culture The book brings together theoretical approaches to the symbolic force of television and fashion forward programming on a global scale Examining case studies such as Sex and the City Gossip Girl Ugly Betty and Mad Men the book examines how TV has made style icons out of leading actresses and fashion conscious consumers out of audiences Using a varied methodology including textual and contextual analysis this study explores the cultural uses of onscreen fashion at the level of industry text and intertext Fashion on Television is essential reading for those seeking to understand the cultural function of costume in a television context Written accessibly with a multi disciplinary approach it will appeal to students and scholars from film and media fashion and cultural studies to sociology and women s studies
