Teeth Marks:

Teeth Marks Rose Moxham, 2007-04-01 The wind felt perilous Nick didn't bother with the brakes He let the steep incline carry him down The dogs were free barking and running after him They loved him even if Jude didn't When Nick heads west with his best mate Robbie he expects to make some money and have some fun He doesn't expect to fall for Jude or her rockabilly songs he doesn't expect her to bite so hard and he certainly doesn't expect to have his secret desires exposed by the strange people in the orthopedics ward It's not easy being adrift There are signs that you misread or don't even see coming The road trip and music ring true wonderfully and the first hurdles of adulthood are finely wrought *Teeth Marks* is a great read Tim Freedman *The Whitlams* *Ayurvedic Tongue Diagnosis* Walter 'shantree' Kacera, 2007-01-01 In addition to offering a comprehensive understanding of the art of tongue diagnosis this book includes ancient and modern healing practices based on Healing Tastes Herbal Therapies and Dietary Protocols The knowledge contained in this book is invaluable for supporting oneself and others on the journey to wholeness The educational foundation of the book prepares us to really understand the meaning and use of tongue diagnosis The ancient art of tongue diagnosis as this book defines it is the science of the shape shadings and markings of the tongue which describe the current state of an individual's health as well as their inherited constitution The potential of tongue diagnosis is that it gives a non-invasive way to measure the tissue integrity of the body especially the Agni of the digestive system or the Fire or strength of the digestive system This can be assessed by simply observing the color and structure of the tongue then we have a very simple way to take preventive steps to correct those imbalances and we have a very simple feedback system meaning the tongue's color size shape and shading to let us know how successful our approach has been **Bitemark Evidence** Robert B.J. Battersby,2016-11-09 The gunning down of her mother in a Richmond street sets young Helen Stockton Defoe on a journey of self discovery A physical feature she had first noticed when she was nine years old has made her feel apart and she has quietly capitalized on the privilege never mind the aura which surrounds her She lives in her head and fills her thoughts and days with science horses and art The more intently she begins to observe her remote detached father the more she learns about her place within the rarefied world she inhabits Just when it appears she is at last becoming closer to him it all falls apart as he coldly undermines her abiding passions which causes her to question the identity she has created Her rebellion leads her to Europe on a disturbing path dominated by chance and an evolving self realization As a result of these experiences she gains an ability to feel deeply something from which she had always felt somehow excluded This most unusual coming of age novel with its impressive characterization humor and vivid sense of place takes its clever if barely street wise and increasingly obsessive teenaged narrator on a physical as well as psychological journey towards an astute hard fought and deserved maturity
