Seasoned Authors for a New Season Louis Filler, 1980 This collection of essays probes the values in a variety of authors who have had in common the fact of popularity and erstwhile reputation Why were they esteemed Who esteemed them And what has become of their reputations to readers to the critic himself No writer here has been asked to justify the work of his subject and reports and conclusions about this wide variety of creative writers vary sometimes emphasizing what the critic believes to be enduring qualities in the subject in several cases finding limitations in what that writer has to offer us today

American Drama Clive Bloom, 1995-08-15 Influenced by Ibsen and Strindberg American drama had its origins in small theatre companies and groups of semi professional players in the early 1900s whose commitment was to inspire such writers as Eugene O'Neill Susan Glaspell Imamu Amiri Baraka Arthur Miller and Tennessee Williams Born into this century American drama has acted both as a reflection and as a commentary on the dominance power and sometimes corruption of the American democratic dream Today American theatre still challenges its audiences with a powerful voice unknown to television and commercial film bringing to the fore issues of gender colour and political oppression This collection of specially written essays offers a comprehensive introduction to the subject for students wishing to familiarise themselves with this exciting field and those already involved with the current debate in the area will welcome the broad approach adopted by this volume

Brooklyn Fictions James Peacock, 2014-11-20 Vast and diverse Brooklyn is often portrayed in literature as a place of traditional community values and face to face relations distinct from anonymous capital driven Manhattan Brooklyn Fictions

discovers what such representations of the New York borough can teach us about diversity and the individual the local and the global Combining analysis of popular texts such as Sister Souljah's *The Coldest Winter Ever* with more canonical novels such as Jonathan Lethem's *The Fortress of Solitude* this study draws on the work of a variety of theorists on community and globalization and uses Brooklyn as a case study for an exploration of the complex relationship between romantic ideals of community and global economic forces With cities often depicted as sites of conflict and fear this is a crucial contribution to our understanding of the contemporary urban community and the ethical issues involved in conceptualizing and portraying it in literature

Contemporary Jewish-American Novelists

Joel Shatzky, Michael Taub, 1997-07-16 Since World War II Jewish American novelists have significantly contributed to the world of literature This reference book includes alphabetically arranged entries for more than 75 Jewish American novelists whose major works were largely written after World War II Included are entries for both well known and relatively obscure novelists many of whom are just becoming established as significant literary figures While the volume profiles major canonical figures such as Saul Bellow Norman Mailer and Bernard Malamud it also aims to be more inclusive than other works on contemporary Jewish American writers Thus there are entries for gay and lesbian novelists such as Lev Raphael and Judith Katz whose works challenge the more orthodox definition of Jewish religious and cultural traditions Art Spiegelman whose controversial *Maus* established a new genre by combining elements of the comic book and the conventional novel and newcomers such as Steve Stern and Max Apple who have become more prominent within the last decade Each entry includes a brief biography a discussion of major works and themes an overview of the novelist's critical reception and a bibliography of primary and secondary sources A thoughtful introduction summarizes Jewish American fiction after World War II and a selected general bibliography lists additional sources of information Since World War II Jewish American novelists have made

numerous significant contributions to contemporary literature. Authors of earlier generations would frequently write about the troubles and successes of Jewish immigrants to America and their works would reflect the world of European Jewish culture. But like other immigrant groups, Jewish Americans have become increasingly assimilated into mainstream American culture. Many feel the loss of their heritage and long for something to replace the lost values of the old world. This reference book includes alphabetically arranged entries for more than 75 Jewish American novelists whose major works were largely written after World War II. Included are entries for both well-known and relatively obscure novelists, many of whom are just becoming established as significant literary figures. While the volume profiles major canonical figures such as Saul Bellow, Norman Mailer, and Bernard Malamud, it also aims to be more inclusive than other works on contemporary Jewish American writers. Thus, there are entries for gay and lesbian novelists such as Lev Raphael and Judith Katz, whose works challenge the more orthodox definitions of Jewish religious and cultural traditions. Art Spiegelman, whose controversial *Maus* established a new genre by combining elements of the comic book and the conventional novel, and newcomers such as Steve Stern and Max Apple, who have become more prominent within the last decade. Each entry includes a brief biography, a discussion of major works and themes, an overview of the novelist's critical reception, and a bibliography of primary and secondary sources. A thoughtful introduction summarizes Jewish American fiction after World War II, and a selected general bibliography lists additional sources for information.

What Went Wrong? Murray Friedman, 1995. From Selma to Crown Heights, what happened to the Black Jewish civil rights alliance? Murray Friedman recounts for the first time the whole history of the Black Jewish relationship in America from colonial times to the present and shows that this history is far more complex and conflicted than historians and revisionists admit.

Sidney Lumet Frank R. Cunningham, 2021-10-21. Since 1957, Sidney Lumet, the most prolific American director of his generation, has deepened audiences' awareness of social, ethical, and feminist issues through such distinguished films as *12 Angry Men*, *The Verdict*, *Running on Empty*, and *Critical Care*. Especially praised for his literary adaptations including *Long Day's Journey into Night* and *Murder on the Orient Express*, Lumet has also directed such trenchant urban films as *Dog Day Afternoon*, *Serpico*, and *Network*. In this new edition, Frank Cunningham expands his analysis of Lumet's earlier films and examines his most recent work from *A Stranger Among Us* (1992) to *Gloria* (1999). Also new to this edition are discussions of five other films, including *The Appointment*, *Murder on the Orient Express*, and *Running on Empty*. Cunningham studies in depth over thirty of Lumet's most significant films and surveys other films and television productions to reveal their enduring artistic and humanistic importance.

The Literary Mafia Josh Lambert, 2022-07-26. An investigation into the transformation of publishing in the United States from a field in which Jews were systematically excluded to one in which they became ubiquitous. From the very first page, this book is funnier and more gripping than a book on publishing has any right to be. Anyone interested in America's intellectual or Jewish history must read this, and anyone looking for an engrossing story should. Emily Tamkin, author of *Bad Jews*. In the 1960s and 1970s,

complaints about a Jewish literary mafia were everywhere Although a conspiracy of Jews colluding to control publishing in the United States never actually existed such accusations reflected a genuine transformation from an industry notorious for excluding Jews to one in which they arguably had become the most influential figures Josh Lambert examines the dynamics between Jewish editors and Jewish writers how Jewish women exposed the misogyny they faced from publishers and how children of literary parents have struggled with and benefited from their inheritances Drawing on interviews and tens of thousands of pages of letters and manuscripts *The Literary Mafia* offers striking new discoveries about celebrated figures such as Lionel Trilling and Gordon Lish and neglected fiction by writers including Ivan Gold Ann Birstein and Trudy Gertler In the end we learn how the success of one minority group has lessons for all who would like to see American literature become more equitable

A Righteous Gentile Ferrera Augusto Ferrera, Augusto Ferrera, 2009-12 It is the early 1970s when Peter Kramer a special envoy to the President of the United States successfully concludes an Arab Israeli peace treaty A few weeks before the official signing Kramer's secret past is discovered and threatens to wreck not only the treaty but also the precarious balance of world peace It seems Kramer is not who he appears to be This startling revelation sets into motion a course of events with roots planted during the Holocaust that now have crept into the highest echelons of international politics and finance and the events seem to be unstoppable unless some of the players are eliminated Baruch Ben David the prime minister of Israel owes his life to Kramer and is willing to prove his gratitude many times over Meanwhile Simon Jensen the egocentric President of the United States appears mentally unstable and Paul Cline a political assassin faces his most difficult challenge At the center of this deadly paradox stands Peter Kramer himself as he walks a thin moral tightrope between being a traitor to his people or a traitor to himself

The Book of Mischief Steve Stern, 2012-09-04 In the 25 years since Stern published his first book younger Jewish writers have run with a similar shtick But Stern was there first The Toronto Globe and Mail The Book of Mischief triumphantly showcases twenty five years of outstanding work by one of our true masters of the short story Steve Stern's stories take us from the unlikely old Jewish quarter of the Pinch in Memphis to a turn of the century immigrant community in New York from the market towns of Eastern Europe to a down at the heels Catskills resort Along the way we meet a motley assortment of characters Mendy Dreyfus whose bungee jump goes uncannily awry Elijah the prophet turned voyeur and the misfit Zelik Rifkin who discovers the tree of dreams Perhaps it's no surprise that Kafka's cockroach also makes an appearance in these pages animated as they are by instances of bewildering transformation The earthbound take flight the meek turn incendiary the powerless find unwonted
