Davidson,2022-01-15 Muhammad bin Salman Al Saud and Muhammad bin Zayed Al Nahyan the respective princely strongmen of Saudi Arabia and the UAE have torn up the old rules They have spurred game changing economic master plans presided over vast anti corruption crackdowns tackled entrenched religious forces and overseen the mass arrest of critics In parallel they also appear to have replaced the old sheikhly consensus systems of their predecessors with something more autocratic more personalistic and perhaps even analytically distinct These are the two wealthiest and most populous Gulf monarchies and increasingly important global powers Saudi Arabia is a G20 member and the UAE will be the host of the World Expo in 2021 2022 Such sweeping changes to their statecraft and authority structures could well end up having a direct impact for better or worse on policies economies and individual lives all around the world Christopher M Davidson tests the hypothesis that Saudi Arabia and the UAE are now effectively contemporary or even advanced sultanates and situates these influential states within an international model of autocratic authoritarianism Drawing on a range of primary sources including new interviews and surveys From Sheikhs to Sultanism puts forward an original empirically grounded interpretation of the rise of both MBS and MBZ **Lewis Swift** Gary W. Kronk,2017-09-19 This biography covers the life of Lewis Swift 1820 1913 who discovered 13 comets and nearly 1 200 other deep sky objects All 13 comets found by Swift now bear his name including three periodic comets with periods of 6 years 11P Tempel Swift LINEAR 9 years 64P Swift Gehrels and 133 years 109P Swift Tuttle Swift s enthusiasm and success as an amateur astronomer helped make him famous in the United States With the help of others Swift was able to buy a 16 inch refractor the third largest telescope in the United States at the time Hulbert Harrington Warner built Warner Observatory to house this telescope As a prolific writer and lecturer Swift s stories appeared in newspapers and magazines while his lectures showed that he was able to explain anything in a way that everyone could understand When Warner went broke during the Panic of 1893 Swift was forced to leave his home Almost two dozen invitations arrived from around the United States asking him to bring his telescope to their city and he eventually accepted the invitation of Californian Thaddeus Sobieski Constantin Lowe This book highlights Swift s

valuable contributions to astronomy before failing eyesight forced him to give up this profession In addition to detailing Swift's life biographical material is also provided for a number of individuals who were influenced by Swift This includes his son Edward who was discovering deep sky objects as a teenager Service Bulletin ... ,1919 First Do No Harm John Lister,2014-05-01 The EU funded HeaRT Health Reporter Training project 2010-2012 laid an important foundation by investigating the existing very limited provision of specialist education and training courses for health journalists throughout the EU and also in the USA where the existence of a large professional body has influenced the availability of training resources Their findings indicate a widespread almost universal lack of an institutional investment in health journalism This is also borne out by the reports from journalists themselves responding to the snapshot HeaRT survey of health journalists and journalists covering health stories in the six partner countries Estonia Finland Germany Greece the UK and Romania The lack of academic engagement in the training of journalists in this specialist field also helps to explain the shortage of literature on health journalism This book is an effort to take this work further and to draw in experience from North America in order to ensure that the fight for improved quality of health reporting continues to be raised The chapters are intended to offer more scope for health journalists to develop their understanding of the relevant issues topics and skills and test out a variety of potential sources of useful information Throughout the book we identify sources and useful contacts and information to enable health journalists to work more effectively and deliver more knowledgeable informative stories for their audience The contributors welcome feedback and comment we hope this is the start of a growing self awareness of many who are working as health reporters and a lively debate on the best ways to deliver quality health journalism *American Workman* Maxwell King,Louise Lippincott,2022-04-12 *American Workman* presents a comprehensive novel reassessment of the life and work of one of America's most influential self-taught artists John Kane With a full account of Kane's life as a working man including his time as a steelworker coal miner street paver and commercial painter in and around Pittsburgh in the early twentieth century the authors explore how these occupations shaped his development as an artist and his breakthrough success in the modern art world A rough and tumble blue collar man prone to brawling and drinking Kane also sought out beauty in the industrial world he inhabited This Kane paradox brawny and tough sensitive and creative was at the heart of much of the public's interest in Kane as a person The allure of the Kane saga was heightened all the more by the fact that he did not achieve renown until he was at the age at which most people are retiring from their professions Kane's dedication to painting resulted in a fascinating body of work that has ended up in some of America's most important museums and private collections His dramatic life story demonstrates the courage strength and creativity of his generation of workmen They may be long gone but thanks to Kane they cannot be forgotten **Cicada!** Federico García Lorca,2025-04-17 90 classic titles celebrating 90 years of Penguin Books Now you slip away in sleep Your boat is sea mist dreaming by the shore Spain's most beloved poet Federico García Lorca brilliantly captures the beauty and brutality of the twentieth century
