Comstock,1972 Canadian Television Marian Bredin,Scott Henderson,Sarah A. Matheson,2012-06-01 Canadian Television Text and Context explores the creation and circulation of entertainment television in Canada from the interdisciplinary perspective of television studies Each chapter connects arguments about particular texts of Canadian television to critical analysis of the wider cultural social and economic contexts in which they are created The book surveys the commercial and technological imperatives of the Canadian television industry the shifting role of the CBC as Canada s public broadcaster the dynamics of Canada s multicultural and multiracial audiences and the function of television s star system Foreword by The Globe and Mail s television critic John Doyle **Television and youth: some explorations** J I. Hogg,1983 **Toxic Substances** United States. Congress. Senate. Committee on Commerce, Science, and Transportation. Subcommittee on Science, Technology, and Space,1977 *Britain's Television Queen* Bob Crew,2016-12-19 Focusing purely on Queen Elizabeth II s relationship with television this book shows how she was ahead of the game in helping to change the face of British television from the outset of her reign in 1953 when she let the cameras into Westminster Abbey The Queen embraced television at a time when Winston Churchill and her government advisors recommended that she should keep them out on the grounds that the cameras would destroy her royal mystique right through the 1950s which was Britain s television decade for reasons that are not generally understood today when Britain became the first nation in the world to have public service television In 1969 the Queen opened the doors to the cameras

once again for the invention of Britain's first family reality TV fly on the wall programme showing how she and her husband the Duke of Edinburgh and their children Charles and Anne went about their daily lives thereby giving the seal of royal approval to reality TV ahead of the first programmes in the United States and the UK that followed in her wake Queen Elizabeth II can accurately be described as a television queen the first monarch to understand and embrace television and in particular reality TV which is why she was light years ahead of other royals and her government ministers Television was for her a right of passage and not until she ran into bad and stormy weather with Princess Diana in the 1980s and 1990s did she have any image problems with television These problems no longer remain today evidently as once again the television arrangements are in full swing for her Diamond Jubilee celebrations this June Queen Elizabeth II remains the most televised and visualised person in the world

Television and Its Viewers James Shanahan, Michael Morgan, 1999-09-09 Television and its Viewers reviews cultivation research which investigates the relationship between exposure to television and beliefs about the world James Shanahan and Michael Morgan both distinguished researchers in this field scrutinize cultivation through detailed theoretical and historical explication critical assessments of methodology and a comprehensive meta analysis of twenty years of empirical results They present a sweeping historical view of television as a technology and as an institution Shanahan and Morgan's study looks forward as well as back to the development of cultivation research in a new media environment They argue that cultivation theory offers a unique and valuable perspective on the role of television in twentieth century social life Television and its Viewers the first book length study of its type will be of interest to students and scholars in communication sociology political science and psychology and contains an introduction by the seminal figure in this field George Gerbner

America's Teenagers--Myths and Realities Sharon L. Nichols, Thomas L. Good, 2004-07-19 The media's presentation suggests that American teenage culture today is the most violent sexual and amoral youth culture in history In this book Nichols and Good deconstruct the negative images held by large numbers of adults Recognizing that many teenagers are left by adults to socialize themselves and the consequences of this careless indifference the authors' goal is to influence a more positive view leading to stronger social policies and better services resources and programs to meet the needs of America's youth Unique features of America's Teenagers Myths and Realities Media Images Schooling and the Social Costs of Careless Indifference include powerful analytic lenses used to revisit typical depictions of youth a wealth of information brought to bear on understanding teenagers' behavior and consideration of a broad range of adolescent behaviors across critical socializing settings The book begins with a discussion of the continuing myth of adolescence how and why youth are devalued and an overview of current beliefs about youth drawn from two 1990s Public Agenda Polls This is followed by chapters on youth and the media and the pressures that youth face in various dimensions of their lives Topics include youth violence the sex lives of teenagers tobacco alcohol drugs and teens' healthy living and decision making working teens and youth and education The concluding chapter pulls together themes generated throughout the book and provides

examples of policies that would underscore the value of viewing youth as a social investment General guidelines are provided for teachers parents policymakers and citizens to facilitate responding to youth in meaningful proactive ways that improve the quality of life for teenagers and the broader society
