Telex Iran:

Telex Iran Gilles Peress, 1980 *Telex Iran* Gilles Peress, Ghulām Ḥusayn Sā'īdī, 1997 *Telex Iran* is an extraordinarily personal document of a public event The photographs Gilles Peress took over a five week period during the 1979 80 seizure of the American embassy in Tehran form neither a study nor an analysis Peress didn't plan to go to Iran the instant imagery the caricatures of fanatics on his TV got to him He felt the need to understand for himself the apparent madness about which the Western media could only generalize *The A to Z of Iran* John H. Lorentz, 2010-04-14 Iran is a country with a deep and complex history Over several thousand years Iran has been the source of numerous creative contributions to the spiritual and literary world and the site of many remarkable manifestations of material culture The special place that Iran has come to hold in contemporary historical events most recently as a center stage actor in the unfolding and interconnected drama of worldwide nuclear arms proliferation and terrorism is all the more reason to explore the characters and personality of Iran and Iranians The A to Z of Iran is designed to give the reader a quick and understandable overview of specific events movements people political and social groups places and trends Through its extensive chronology introduction bibliography appendixes and more than double the number of cross referenced dictionary entries as in the previous edition the work allows for considerable exploration of a number of historical and contemporary topics and issues In particular the modern period defined as 1800 present is covered extensively *Iran-US Claims Tribunal Reports: Volume 39* Lee M. Jones Griffiths in Vietnam Gilles Peress covering the Iranian Revolution Susan Meiselas in El Salvador and Nicaragua Ron Haviv and Gary Knight in the Balkans Ashley Gilbertson and Chris Hondros in Iraq and Tim Hetherington and Lynsey Addario in Afghanistan These individuals expanded the conception and technical repertoire of photojournalism receiving critical acclaim provoking public and professional controversy and often incurring great personal cost to themselves Afterimages presents us with a revisionary understanding of the art of conflict photography The images are often searing they sometimes demonize and dehumanize the enemy but also humanize friend or victim a focus on the human roots the range of feeling in such imagery from horror to pity Iran-U.S. Claims Tribunal Reports: Volume 14 J. C. Adlam, M. E. Macglashan, E. Lauterpacht, 2013-11-27 The Tribunal concerned principally with the claims of US nationals against Iran is the most important to have sat in over half a century *Iran Investment and Business Guide Volume 1 Strategic and Practical Information* IBP, Inc., 2015-09-11 Iran Investment and Business Guide Volume 1 Strategic and Practical Information

In The Cruel Radiance Susie Linfield challenges the idea that photographs of political violence exploit their subjects and pander to the voyeuristic tendencies of their viewers Instead she argues passionately that looking at such images and learning to see the people in them is an ethically and politically necessary act that connects us to our modern history of violence and probes the human capacity for cruelty Grappling with critics from Walter Benjamin and Bertolt Brecht to Susan Sontag and the postmoderns and analyzing photographs from such events as the Holocaust China s Cultural Revolution and recent terrorist acts Linfield explores the complex connection between photojournalism and the rise of human rights ideals In the book s concluding section she examines the indispensable work of Robert Capa James Nachtwey and Gilles Peress and asks how photography should respond to the increasingly nihilistic trajectory of modern warfare A bracing and unsettling book The Cruel Radiance convincingly demonstrates that if we hope to alleviate political violence we must first truly understand it and to do that we must begin to look **Understanding Photojournalism** Jennifer Good,Paul
