THE AFTERGLOW OF SUNSET GAO

HUAIFEI, 2017-04-18 He was that naive boy like humble slope grass or a carefree little fish in the stream in the little mountain village which was isolated from the outside world of civilization then Then he was suddenly brought into a curious city in the north of China by his father Everything around him became a wonder and mystery So he turned to be another silly boy who would like to sit alone by the city street to enjoy the passing automobiles In a couple of years he learned to fend for himself while his father was out of town because of his work a real home alone During the following years of his growing up he also witnessed the breathtaking changes of his home nation as well as of his own life For him happiness was actually ephemeral while emotional suffering had to be recuperated by the elapsing of time This is what he learned from his experience Never to be afraid of being shrouded in the darkness He was always fascinated by the brilliant and mysterious clouds that were aflame in the sunset Why Because there would always be new hope beyond the afterglow of sunset
