*I Must Tell Jesus* Dr. Lloyd G Fennell,2011-12-27 Jesus said in John 10 11 The thief cometh not but for to steal and to kill and to destroy I am come that they might have life and that they might have it more abundantly I am the good shepherd the good shepherd giveth his life for his sheep He came to give us freedom from fear debt sickness poverty homelessness unemployment and anything that may prevents us from walking in the light of Gods Word Now whether you are a Sunday Church folk a new believer or a longtime Christian who wants to read the message of faith I Must Tell Jesus will prove to you that no one has ever spoke the way that Jesus did The Story of Jesus must be shared with every person on the face of the earth in order that each individual may have the opportunity to come to believe and follow Jesus Christ tells us as He told His disciples you will be my witnesses in Jerusalem and in all Judea and Samaria and to the ends of the earth Acts 1 8 In order to fulfill Christs command I Must Tell Jesus is written as a tribute to my family and the family of God Thank You     And In the End Ken McNab,2020-08-18 Ken McNab s in depth look at The Beatles acrimonious final year is a detailed account of the breakup featuring the perspectives of all four band members and their roles A must to add to the collection of Beatles fans And In the End is full of fascinating information available for the first time McNab reconstructs for the first time the seismic events of 1969 when The Beatles reached new highs of creativity and new lows of the internal strife that would destroy them Between the pressure of being filmed during rehearsals and writing sessions for the documentary Get Back their company Apple Corps facing bankruptcy Lennon s heroin use and musical disagreements the group was arguing more than ever before and their formerly close friendship began to disintegrate In the midst of this rancour however emerged the disharmony of Let It Be and the ragged genius of Abbey Road their incredible farewell love letter to the world     **The bloody theatre, or**

**This is Your Life?** Christopher Fry, 2017-11-07 This Is Your Life is about the journey to the center of your mind Twilight Zone music in the background Well maybe not quite the center but it challenges the premise that we are mechanical beings living in a mechanical world Contrary to the popular cultural voice that says Resistance is futile assimilated you will be Yoda people are tired broken and poor from living in this Marxist socialist paradise If we can reclaim a true definition of liberty perhaps we can achieve a Modern Reformation The human experience we call life is mind body and spirit If any one of these is missing we die Our culture has been trying to convince us for decades that we are mind and body but without any spirit People have been treated as if they were automobiles to be driven manipulated and finally discarded when their benefits run out The results of this philosophy have been disastrous The fruits of Marxist philosophy today are the same as they have been throughout history to lie steal kill and destroy leaves death in its wake and itself ultimately self destructs in a suicidal fit of rage A Christian philosophy will emerge out of the ash heap hopefully sooner rather than later We must recognize that every human being is different than every other person who has ever been We are like a microcosm an entire universe contained in this human body The spiritual realm is more real than the physical realm and twice as dangerous Unless we wish to continue living like a zombie in mind and body denying the spirit we must understand the spiritual aspect in order to experience true life This Is Your life recognizes the fact that we all have an appointment with Revelation 20 12 And I saw the dead great and small standing before the throne and books were opened Then another book was opened which is the book of life And they were judged by what was written in the books according to what they had done The books are our life stories We are all writing a book and each day is another page in our book The good the bad and the ugly it s all there The book of life is also there There was a show from the 1960s and 70s called This Is Your Life The host Ralph Edwards always had a book in his hand He would walk up to the person being highlighted and say So and so this is your life They would have events and people from their past and things on their life journey that helped make them who they were This is how one might imagine it could be when we stand before the Lord It's the End of the Church As We Know It Marc Lawson, 2011-07-28 Speaking in favor

of the power of God and against the traditions of men author Marc Lawson believes that signs and wonders miracles and demonstrations of God s power are desperately needed to defeat the onslaught of darkness our culture is accepting and endorsing more and more each day It s the End of Church as We Know It reflects a growing dissatisfaction with the current state of the church saying there must be more God has for Christians outside of the box Lawson is concerned that new believers are not only being catered to with faddish trends but they are not being invited to experience a supernatural God Only the power of the Holy Spirit and the manifestation of His gifts says Lawson will fulfill God s destiny for His church
