Romanticism: 100 Poems Michael Ferber, 2021-03-04 100 Romantic era poems both major and lesser known in English and translated from six languages with an engaging introduction and notes

Teaching Death and Dying Christopher M. Moreman, 2008 The academic study of death rose to prominence during the 1960s Courses on some aspect of death and dying can now be found at most institutions of higher learning These courses tend to stress the psycho social aspects of grief and bereavement however ignoring the religious elements inherent to the subject This collection is the first to address the teaching of courses on death and dying from a religious studies perspective The book is divided into seven sections The hope is that this volume will not only assist teachers in religious studies departments to prepare to teach unfamiliar and emotionally charged material but also help to unify a field that is now widely scattered across several disciplines

The Poetry Reader Mark Yakich, 2024-12-12 You have picked up this book because you are a poetry reader Or you are about to be one Because as soon as you read a poem that s what you are Filled with the profound the lyrical the consoling and the curious The Poetry Reader An Anthology is the book you would hope to find if you washed up alone on a deserted island this companionable collection

shows how poetry itself is a discussion alive and flowing and how poems speak to with and sometimes over one another If you are a teacher this is the anthology you wish you had as a student a text that doesn't try to survey entire time periods or aesthetic areas but one that places side by side carefully selected poems that speak to each other over time as well as to today's readers Section header notes provide critical commentary framing the poems within their given topic Discussion and writing suggestions give interesting and actionable prompts Works as a standalone book or can easily be used alongside Poetry A Survivor's Guide 2nd ed Drawing on traditional poems and contemporary works this anthology offers globe spanning stylistically diverse poetry ranging from canonical poems by the likes of Sappho and Shakespeare to those of new voices such as Layli Long Soldier and Mukoma wa Ngugi As a compact eclectic and approachable collection based on specific aspects of poetry and poetic practices from identity and metaphor to sublimation and spirituality The Poetry Reader acts as a guide to understanding the essentials of both reading and writing poetry

The New Anthology of American Poetry Steven Gould Axelrod, Camille Roman, Thomas Travisano, 2003 Volume 1 of this comprehensive anthology features a generous selection of Native American materials then spans the years from the establishment of the American colonies to about 1900 a world on the brink of World War I and the modern era

Literary Translation and the Making of Originals Karen Emmerich, 2017-09-21 Literary Translation and the Making of Originals engages such issues as the politics and ethics of translation how aesthetic categories and market forces contribute to the establishment and promotion of particular originals and the role translation plays in the formation re formation and deformation of national and international literary canons By challenging the assumption that stable originals even exist Karen Emmerich also calls into question the tropes of ideal equivalence and unavoidable loss that contribute to the low status of translation translations and translators in the current literary and academic marketplaces

Embracing the Song of Expression: An Emotional Symphony within **Tell It Slant**

In some sort of eaten by screens and the ceaseless chatter of quick interaction, the melodic beauty and emotional symphony created by the written term usually disappear in to the background, eclipsed by the relentless noise and disturbances that permeate our lives. Nevertheless, nestled within the pages of **Tell It Slant** an enchanting literary value filled with raw feelings, lies an immersive symphony waiting to be embraced. Constructed by an outstanding musician of language, that fascinating masterpiece conducts visitors on a mental trip, skillfully unraveling the hidden songs and profound affect resonating within each carefully constructed phrase. Within the depths of the touching examination, we shall discover the book is central harmonies, analyze its enthralling publishing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
