Park, 2014-01-13 After rampaging through all the major states of America the sadistic and evil one has returned to his Glaswegian home to continue his life's long work Reporter Jack Sinclair has followed him but will it be the intrepid D S Hall of the Elite Glasgow Crime Squad who finally puts an end to the serial killers reign of terror The Poetics of Space and Place in Scottish Literature Monika Szuba, Julian Wolfreys, 2019-04-01 This book addresses the poetics of space and place in Scottish literature Focusing chiefly on twentieth and twenty first century texts with acknowledgement of historical and philosophical contexts the essays address representation narrative form the work of the poetic perception and experience Major genres and forms are discussed and authors as diverse as George Mackay Brown Kathleen Jamie Ken McLeod and Kei Miller are presented through theoretically informed historically contextualized close readings Additionally considering the role of dialect and region in the poetry and fiction of modern Scotland the volume argues for an appreciation of the cultural diversity of Scottish writers while highlighting the overarching presence of a connection between self and world subject and place within Scottish literature A Stirling Diary Shelley D. Lane, 2010-07-21 She peered into the steaming crater of Mt Aetna slid up an icy mountain in Bavaria and was marched to a shabby police station in Tunisia She also had some important decisions to make while she spent her junior year abroad as an exchange student at the University of Stirling in Scotland Should she remain dependent on her noncommittal boyfriend or should she risk loneliness and abandon her dreams of their future Should she focus on marriage attend graduate school or should she begin a career What should she do with her life The rousing narrative in A Stirling Diary chronicles humorous encounters with Brit speak rollicking adventures in Europe and Africa and the appreciation of and affection for the Scottish people Shelley shares honest and occasionally raw descriptions of her struggles to adapt not only to various cultures but also to discover her own self worth in the process A Stirling Diary is not just a fascinating travel journal its also an inspiring personal story that illustrates the transformation of an insecure young girl to an empowered young woman who looks inward to survive betrayal and depression Multicultural Nationalism Asifa M. Hussain, William L. Miller, 2006-07-20 When the focus is on black or Asian minorities Britain is frequently described as a multi cultural state But when the focus is on Scotland England and Wales Britain is also described as a multi national state Yet debates about multiculturalism and nationalism have been held in parallel without sharing even a common vocabulary This book is a pioneering study of how multiculturalism interacts with multinationalism especially within post devolution Scotland It gives equal attention to Scotland's largest visible and invisible minorities ethnic Pakistanis almost all of them Muslim and English immigrants Rising Scottish self consciousness could have posed a challenge both these minorities But in practice potential problems have proved themselves to be solutions integrating rather than alienating In the eyes of the minorities devolution has made Scots at once more proud and less xenophobic Even English immigrants feel devolution has defused tensions calmed frustrations and forced Scots to blame themselves rather than others for their

problems Pakistanis have suffered increasing harassment but they attribute that to 9 11 not to devolution And Muslims adopt Scottish identities Scottish attitudes even Scottish nationalism consciously or unconsciously using these as tools of integration The book is based in part on large scale surveys of Pakistani and English minorities within Scotland and of the majority populations in Scotland and England But it is also based on systematic analysis of transcripts of focus group discussions with minorities revealing the variety of opinion within minorities as well as the contrasts between them In particular it presents a unique account of how Scottish Muslims express their feelings in a time of crisis
