## **Tell It To The Dead Memories Of A War:**

*Tell it to the Dead* Donald Kirk, 1975      *Tell it to the Dead* Donald Kirk, 1996 Journalist Kirk arrived in Vietnam in 1965 and covered the war for The Washington Star the Chicago Tribune and other American periodicals Here are 15 stories most reprinted from both that period and from visits during the decades after the war Paper edition unseen 19 95 Annotation copyright by Book News Inc Portland OR      **Korea Betrayed** D. Kirk, 2009-12-07 This book recounts the rise of Kim Dae Jung from an oppressed region of Korea beginning with his schooldays his activities in the Korean War and his entry into politics and concluding with discussion of his Sunshine policy his summit with North Korea s Kim Jong Il and his drive for the Nobel      Professional Journal of the United States Army , 1976      **The Vietnam Reader** Walter Capps, 2013-10-15 First Published in 1990 Routledge is an imprint of Taylor Francis an informa company      *The Turning* Andrew E Hunt, 1999-07-01 This extraordinary and deeply moving history reveals the untold story of the military veterans who protested the Vietnam War Mike Davis author of City of Quartz The anti Vietnam War movement in the United States is perhaps best remembered for its young counterculture student protesters However the Vietnam War was the first conflict in American history in which a substantial number of military personnel actively protested the war while it was in progress In *The Turning* Andrew Hunt reclaims the history of the Vietnam Veterans Against the War VVAW an organization that transformed the antiwar movement by placing Vietnam veterans in the forefront of the nationwide struggle for peace Misunderstood by both authorities and radicals alike VVAW members were mostly young men who had served in Vietnam and returned profoundly disillusioned with the rationale for the war and with American conduct in Southeast Asia Angry impassioned and uncompromisingly militant the VVAW posed a formidable threat to America s Vietnam policy Based on extensive interviews and in depth primary research including recently declassified government files *The Turning* is a vivid history of the men who risked censures stigma even imprisonment for a cause they believed to be an extended tour of duty      US Army Psychiatry in the Vietnam War: New Challenges in Extended Counterinsurgency Warfare Norman M. Camp, 2015-03-15 NOTE NO FURTHER DISCOUNT FOR THIS PRODUCT OVERSTOCK SALE Significantly reduced list price During Vietnam War 1965 1973 the US Army suffered a severe breakdown in soldier morale and discipline in Vietnam matters that are not only at the heart of military leadership but also ones that overlap with the mission of Army psychiatry The psychosocial strain on deployed soldiers and their leaders in Vietnam especially during the second half of the war produced a wide array of individual and group symptoms that thoroughly tested Army psychiatrists and mental health colleagues there This book seeks to consolidate a history of the military psychiatric experience in Vietnam through assembling and synthesizing extant information from a wide variety of sources documenting the success and failure of Army s psychiatry in responding to the psychiatric and behavioral problems that changed and expanded as the war became protracted and bitterly controversial Mental health professionals especially psychiatrists in both military and civilian professions as well as military historians researching the Vietnam era may be

Camp,2014 NOTE NO FURTHER DISCOUNT FOR THIS PRODUCT OVERSTOCK SALE Significantly reduced list price This book tells the mostly forgotten story of the accelerating mental health problems that arose among the troops sent to fight in South Vietnam especially the morale discipline and heroin crisis that ultimately characterized the second half of the war This situation was unprecedented in U S military history and dangerous and reflected the fact that during the war America underwent its most divisive period since the Civil War and as a result the war became bitterly controversial The author is a career Army psychiatrist who led a psychiatric unit in Vietnam In the years following his return he was dismayed to discover that the Army had conducted no formal review of this alarming situation including from the standpoint of military psychiatry and had lost or destroyed all of the pertinent clinical records In addition to permitting a study of the psychological wounds and their treatment in Vietnam these records would have been priceless in the treatment of the legions of veterans who presented serious adjustment problems and Post traumatic Stress Disorder As a consequence Dr Camp has been relentless in combing the professional civilian and surviving military literature including unpublished documents to construct a compelling narrative documenting the successes and failures of Army psychiatry and the Army leadership in Vietnam in responding to these psychiatric and behavioral challenges The result is a book that is both scholarly and intensely personal includes vivid case material and anecdotes from colleagues who also served there and is replete with illustrations and correspondence It presents the story of Vietnam in a fresh manner through the psychiatrist s eyes and sensibilities *The United States and the Vietnam War, 1954-1975* Louis Peake,2007-11-13 The United States in the Vietnam War 1954 1975 is an invaluable reference guide to the costly and controversial war the U S waged in Vietnam over the course of five presidential administrations Focusing not only on the conflict in Southeast Asia but also on the tumult the war inspired on the domestic front Louis Peake provides an authoritative guide to the wide range of media available on the U S involvement in Vietnam From collections of art work and poetry about the soldiering experience to journalistic accounts of battles and military training films the entries consistently provide clear and concise descriptions allowing the reader to easily identify the value of any particular resource With revised and updated annotations and over 150 new entries

this second edition of *The United States in the Vietnam War 1954-1975* is an invaluable reference tool for researchers and students of the Vietnam War. Routledge Research Guides to American Military Studies provide concise annotated bibliographies to the major areas and events in American military history. With the inclusion of brief critical annotations after each entry, the student and researcher can easily assess the utility of each bibliographic source and evaluate the abundance of resources available with ease and efficiency. Comprehensive, concise, and current, Routledge Research Guides to American Military Studies are an essential research tool for any historian.

*The Vietnam Experience* Jane Petitmermet, 1986     Air University Quarterly Review, 1975     **Quarterly Review of Military Literature**, 1979     **The New Winter Soldiers** Richard R. Moser, 1996

Richard Moser uses interviews and personal stories of Vietnam veterans to offer a fundamentally new interpretation of the Vietnam War and the antiwar movement. Although the Vietnam War was the most important conflict of recent American history, its decisive battle was not fought in the jungles of Vietnam or even in the streets of the United States, but rather in the hearts and minds of American soldiers. To a degree unprecedented in American history, soldiers and veterans acted to oppose the very war they waged. Tens of thousands of soldiers and veterans engaged in desperate conflicts with their superiors and opposed the war through peaceful protest, creating a mass movement of dissident organizations and underground newspapers. Moser shows how the antiwar soldiers lived out the long tradition of the citizen soldier first created in the American Revolution and Civil War. Unlike those great upheavals of the past, the Vietnam War offered no way to fulfill the citizen soldier's struggle for freedom and justice. Rather than abandoning such ideals, however, tens of thousands abandoned the war effort and instead fulfilled their heroic expectations in the movements for peace and justice. According to Moser, this transformation of warriors into peacemakers is the most important recent development of our military culture. The struggle for peace took these new winter soldiers into America rather than away from it. Collectively, these men and women discovered the continuing potential of American culture to advance the values of freedom, equality, and justice on which the nation was founded.

In Country James Stuart Olson, 2008

Covering the thirty years between 1945 and 1975, *In Country* The Illustrated Encyclopedia of the Vietnam War is a balanced, comprehensive A to Z encyclopedia on the conflict that includes definitive coverage of all aspects of the war, both on the home front and in country.
